**A LUCKY BUNNY**

Vienna—(UPI)—Josef Frischaut and his wife were kind to an injured rabbit and the rabbit saved their lives. They found the rabbit with an injured foot in a wooded area, bandaged the foot, and made a soft bed for the rabbit near their own bedroom. Wednesday morning, they said, the rabbit's thumping on the floor awoke them in time to flee their burning house. The Frischauts saved the rabbit but he bounded off into the woods.
