## 4-H NEWS

### Whiz Knits

Diane Bolz, president, called the meeting of the Phoenix Whiz Knits to order at 4 p.m. Wednesday, Feb. 17. They discussed the 4-H skating party at the end of the month.

Marilyn Kantor and Bonnie Simmonds, second year girls, are halfway finished with this year's project. Judy Hemingway, Carol House and Linda Cox are finished with their slippers they are making for first year. The rest of the first year girls; Joy Thompson, Gail House, Robin Barns, Cheryl Bolz, and Mural Baker are all pretty well underway with their slippers. Judy Hemingway served refreshments and Carol House will take them next time.

The Phoenix Whiz Knits knitting club is an organized knitting group under the direction of Mrs. Grove. She teaches how and the correct way in which to knit, for that is the purpose of 4-H to learn. Meetings are held every other Wednesday at 3:45 p.m. at Mrs. Grove's home on Fern Valley rd., Phoenix.

The next meeting will be March 2.

### Antelope Livestock

The February meeting of the Antelope Livestock 4-H club was held Feb. 11 at the Old Antelope schoolhouse.

The meeting was called to order by President Ron Anderson. Secretary Alice Woolfolk called roll and the beef members answered by telling how many pounds per day of grain they were feeding their steers.

Two new beef members joined. They are Don Higday and Lynne Kate. They are taking steers. It was beef members' turn to entertain and they showed a movie on how cattle were bred from Texas longhorn to the beef cattle of today.

Warren Dunlap and his new club from Jacksonville were guests for the evening. After the meeting a game was played and the group sang some songs. Refreshments were served.

Dale West, Beef Club reporter.

## 'Ben Hur' Tops List Of Nominations for Annual Oscar Derby

Hollywood—(UPI)—"Ben-Hur," a twice-produced motion picture which featured one of the greatest film chariot races of all time, today paced a field of contenders in the annual "Oscar Derby."

The classic story of ancient biblical times topped all opposition in the 32nd annual poll of the Academy of Arts and Sciences with a total of 12 Oscar nominations, including those for top actor, supporting actor and director. Winners will be announced April 4 at the annual awards program.

The closest any other film came to it this year was eight nominations collected by "The Diary of Anne Frank" and "The Nun's Story."

"Anatomy of a Murder" and "Room at the Top" completed the field of entrants for the best film of 1959.

"Ben-Hur's" star, Charlton Heston, was nominated for the top actor laurel. He faces stiff competition from James Stewart (Anatomy of a Murder), Jack Lemmon (Some Like It Hot), Paul Muni (The Last Angry Man) and Laurence Harvey (Room at the Top).

In the best actress category "old pro" Katherine Hepburn (Suddenly Last Summer), who's won before, was nominated for the eighth time. She opposes Doris Day (Pillow Talk), Audrey Hepburn (another ex-winner, The Nun's Story), Simone Signoret (Room at the Top), and Elizabeth Taylor (Suddenly Last Summer).

Directors Named

Vying for honors in the director's category are William Wyler (Ben Hur), George Stevens (The Diary of Anne Frank), Fred Zinnemann (The Nun's Story), Jack Clayton (Room at the Top), and Billy Wilder (Some Like It Hot).

Nominations for the best supporting actor went to Ed Wynn (The Diary of Anne Frank), Robert Vaughn (The Young Philadelphians), George Scott and Arthur O'Connell (Anatomy of a Murder), and Hugh Griffith. Entries in the race for best supporting actress includes Shel-

### Gas Tank Punctured In City Accident

Both city police and firemen were called to the scene of a traffic accident at 7:53 a.m. yesterday when a punctured gas tank spilled gasoline onto the street.

Firemen flushed the gas away as a precautionary measure.

Police said the accident occurred when a car operated by Arnold William Bugstedt, 36, of 813 West 11th st., was attempting to park near the intersection of Main st. and Riverside ave. and bumped into another parked car belonging to Walter Mike Larka, 71, Gold Hill, shoving a trailer hitch on Larka's car through the rear of the auto puncturing the gas tank.

Police said that damage was negligible other than the punctured gas tank and no citations were issued.

## Twining Under Surgical Knife

Washington—(UPI)—Gen. Nathan F. Twining, 62, chairman of the Joint Chiefs of Staff, was reported in generally satisfactory condition today after undergoing an operation for acute appendicitis.

A medical bulletin said: "The appendix was perforated and he is receiving antibiotic drugs. His general condition is satisfactory."

The bulletin said the military leader "spent a fairly comfortable night" after entering Walter Reed Army hospital Monday afternoon because of acute abdominal pains. He underwent the operation a few hours later.

Twining had been scheduled to testify today before the House Foreign Affairs Committee in support of President Eisenhower's \$4,175,000,000 foreign aid request.

Walter Reed surgeons removed a cancerous growth from Twining's left lung last May. After a few weeks recuperation, he returned to his duties as the nation's top active military officer.

### Young High School Student Murdered

Billings, Mont.—(UPI)—A pretty, blonde high school sophomore was savagely beaten and stabbed to death Monday night at her home in a fashionable Billings residential district.

Police said Judie Anderson, 15, had been stabbed at least 25 times in her neck and shoulders with a pair of scissors found under her body and had been viciously beaten with the stock of a rifle and a lamp base.

Officers said there was no evidence the girl had been sexually attacked.

Detectives said the slaying apparently occurred sometime between 8:30 p.m., when Judie's mother left home to play cards at a friend's house, and 11:18 p.m., when her father returned from a business trip to Salt Lake City.
