REG. 29c WHITE PAINTER'S CAP **19¢**

This is general purpose paint designed primarily for rough surfaces. Available in White and 3 basic colors.

A must for the painter and what a buy! The 2' size is on special for 1.66 and the 4' size is on special for only 4.88.

You will find these mighty handy for painting and for other general uses. Generous size of 9x12 feet affords lots of protection when painting.

Sturdy metal tray and an easy working roller take the drudgery out of painting. You'll do the job twice as fast with this special!

You could pay much more for these. They are available in many decorator colors designed to harmonize with any color scheme you might have.

You will want head protection when doing that painting... here is a good buy on white, billed painter's caps. Get several at this low price.
