Theme of the dance was "Sweet and Lovely," and was attended by about 30 couples. The event was sponsored by the student council.

Pictures Planned

Pictures of the Holy Land will be presented by Mrs. A. C. Pierce at a meeting of Westminster guild of the First Presbyterian church at 7:45 p.m. Monday, March 7.

Mrs. F. T. Hussong will have charge of the devotions and Mrs. Georgiana Beier will give the regular lesson. Miss Shirley Satterfield will sing, accompanied by Mrs. Eva Marsh.

The meeting will be in the fireplace room of the church.

St. Pat's Fruit Cocktail

Greet your family or dinner guests with a frosty green fruit cocktail for St. Patrick's Day dinner. Drain canned fruit cocktail and chill thoroughly. Combine syrup from fruits with sweetened carbonated drink, a few drops green food coloring and mint extract to taste. Freeze until mushy. At dinner time spoon icy topping on each chilled serving of canned fruit cocktail.

'Rescue Breathing' Film Scheduled in Butte Falls

Butte Falls—"Rescue Breathing," a film on the relatively new method of mouth-to-mouth breathing, will be shown in the high school auditorium at Butte Falls on Thursday, March 10, at 7:30 p.m. The picture is open to the public and will also be part

of the closing lesson for the first aid classes which have been conducted by LeRoy Williams, Medford, on Tuesday and Thursday nights since February 2. "No one should die because of lack of oxygen," said Williams. "Knowing how to give artificial respiration has been one of the important lessons of the standard first aid courses and the film will be helpful to anyone else who missed the whole course."

About 20 men from the Medford Corporation have taken the Tuesday night lessons.

Nearly 40 men and women are expected to complete the course and obtain standard Red Cross first aid cards from the Thursday night meetings. The group is sponsored by the Butte Falls extension unit in cooperation with the U.S. forest service and has been open to anyone.

Because the area lacks immediate medical facilities, posting the names of qualified first-aiders in convenient places is planned when the first aid courses are completed.

Those taking the course have discovered basic changes in the ways of caring for burns, wounds and shock. The 1957 edition of the text, "First Aid," which is published by the American National Red Cross, with the supplement, "Artificial Respiration," has been the basis of the present courses.

Annual Dinner To Be Sunday

The St. Patrick's day ham dinner, given annually by St. Anne's Altar society of Sacred Heart church parish, will be served buffet style, Sunday, March 13. Serving will be between 12:30 and 6 p.m. in St. Mary's school gymnasium, Eleventh and Holly streets.

The public is invited to attend this traditional event each year. Mrs. Anthony Viola, general chairman for the dinner, states there will be a special price for families of three or more children and the "high-chair crowd" will be free. As an added feature for the little people this year, there will be pop corn balls, Karmelcorn and favors.

St. Mary's High School Parents' club is cooperating with the Altar society in preparations for the dinner. The Young Christian Workers and the Catholic Daughters of America will help with the serving and work in the dining room.

Mrs. Fred C. Shere, president of the Altar society, says "A holiday spirit will be in the air for sure 'tis the feast of good St. Patrick we'll be celebratin'." The gymnasium will be made festive in the St. Patrick's day theme. A mural, painted by Mrs. John O'Hara, will cover the wall in back of the buffet table.

According to the ticket sale committee, Mr. and Mrs. Aurele Meunier, tickets may be purchased at the door.

Lenten Food Plentiful At Markets

(The following guide to the nation's plentiful food buys the week ending March 5 was prepared for United Press International by the U. S. Departments of Agriculture and Interior.)

Washington—(UPI)—Lenten food shoppers will find a good selection of plentiful foods at their favorite markets this week end with bargain priced eggs and dairy products leading the list.

March is National Egg month, and housewives will do well to take advantage of present-day prices on this popular protein-rich food.

Beef and pork offer excellent values in many favorite cuts. In beef, round and boneless chuck roasts as well as steaks and ground beef will be plentiful, while in pork, chops, loin roasts, hams and bacon offer excellent values. Broiler-fryers star at the poultry counter, and are offered at budget-saving prices.

Fresh vegetable supplies continue to offer a fairly good variety. Among these are cabbage, carrots, celery, lettuce, onions, potatoes, sweet potatoes, spinach, cauliflower, and rutabaga turnips.

In the fruit bin you'll find plenty of good values in avocados, oranges, grapefruit, lemons, bananas, and apples.

In fishery products for Lenten menus, there's plenty of fresh and frozen shrimp on hand, as well as fish sticks and canned tuna. And various areas of the country offer many other choice selections of fish.

Here is a detailed report of plentiful foods in this particular area:

West—Arizona, California, Idaho, Montana, Nevada, Oregon, Utah, Washington, Wyoming: Eggs are one of the most attractive buys this week—supplies are plentiful, and prices generally lower. In California markets, medium size eggs are mostly one to two cents a dozen lower and small eggs are down one to 3 cents a dozen.

Among the red meats, fresh pork loins are mostly one to 4 cents a pound higher.

Other meat cuts are mostly unchanged in price. Beef supplies are mostly ample, while pork is in moderate to ample supply. California veal and lamb supplies are light to moderate.

Poultry supplies are ample, but ready-to-cook fryer chickens are mostly one to 2 cents a pound higher this week.

The limited number of plentiful fruits and vegetables includes apples, grapefruit, lemons, bunched vegetables, cabbage, cauliflower, lettuce, dry onions, and spinach. In good supply are artichokes, asparagus, celery, Russet potatoes, and tomatoes.

In the fish line, plentiful include halibut, oysters, Dungeness crabs, rockfish, and sablefish.

A senior at Oregon State college has set a record for women students in speech contests. Miss Beverly Bourgoyne, daughter of Mr. and Mrs. A. W. Bourgoyne, Route 1, Box 234, has won more first place speech contest honors than any other woman in the history of the college. She has won 10 first places, 1 second and four third in four years at OSC.
