

Cuban Attache in Venezuela Quits

Bogota, Colombia — (UPI) — Capt. Felipe Vidal Santiago said today he resigned as Cuban naval attache in Venezuela because he regards Premier Fidel Castro as a Communist dictator who betrayed the men and women who shed their blood to put him in power.

Vidal dismissed as "ridiculous" Castro's charge that the United States was to blame for the explosion of the French munitions ship La Coubre in Havana last week. He said the blast was almost certainly caused by overheated water in the dock where the ship was unloading.

"The cooling system of the Havana electric plant empties hot water alongside the Tallapiedra pier to which the La Coubre was moored," the 34-year-old naval officer said. "When I was chief of maritime police in Havana, I would allow no ship carrying ammunition to unload at the Tallapiedra pier."

Vidal said he believes the present maritime police chief is one of Castro's rebels who has no technical qualifications for the job and who accordingly may not have recognized the danger.

Navy's Glacier Clears Ice Path

Aboard U.S.S. Glacier near Antarctica (Delayed) — (UPI) — The U.S. Navy's most powerful icebreaker led the Danish icebreaker Kista Dan to the safety of open waters today. The husky Glacier tore through the last of a 54-mile pack of ice at 3:20 p.m. Tuesday with the red-hulled Scandinavian ship close astern.

The Kista Dan, carrying Sir Vivian Fuchs' expedition, had been trapped for 16 days at the eastern end of the Bellinghousen Sea at the entrance to Marguerite Bay.

Before the Glacier freed it, dangerous pressure ice had tipped the Kista Dan 12 degrees. Fuchs, in a message to the Glacier's Capt. Philip Porter, expressed thanks on behalf of his expedition and the Kista Dan crew members.

Herb Grey, advertising manager of the Mail Tribune, is aboard the icebreaker Glacier as a guest of the Navy.

FINED

Ashland—Jewell Parr, 58, of 304 Fifth st., Phoenix, was sentenced to 30 days in jail and fined \$200 after pleading guilty in Ashland municipal court yesterday to a charge of driving while under the influence of intoxicating liquor.
