

Former Official Of City Schools To Be Speaker

E. H. Hedrick will speak for a meeting of Jackson County Retired Teachers Association at Medford City Community Club Monday, March 14, at 1:30 p.m.

Mr. Hedrick, a former superintendent of the Medford city schools, will speak on "Happiness and Usefulness After Retirement."

Robert Duncan, representative from this district to the Oregon legislature, will speak briefly on the process of obtaining laws for the benefit of retirees, and especially those who retired before the laws at present came in force.

Music numbers will be announced by Mrs. Ivah Murray. Mrs. George Carter is chairman of the hostess committee.

Employment Legislation Topic for Altrusa Panel

Recent legislation aimed at preventing discrimination in employment because of age, and its effect on the older woman in particular, was the topic of a panel discussion at a dinner meeting of the Altrusa club of Medford at the Rogue Valley Country club Thursday.

Mrs. Enid Rankin, vocational information chairman, in introducing the panel members, said that employment opportunities for the older woman has been a vital concern of the Altrusa club since 1939.

John Patton, director of the Medford office of the Oregon State Employment service, advised that the new state laws prohibit employers from using age as a specification in

hiring workers, unless they can show that age is a genuine job performance requirement. He spoke of the need for educating the public to the realization that arbitrary assignment of age limits for jobs is generally meaningless, and that in the near future about half of the country's new labor force must necessarily come from the group we call the "older worker."

Col. C. L. Williams, employment chairman of the Rogue Valley Council on Aging, also stressed the need for education along these lines. He said that little or no attention is paid in the teaching of social sciences to what happens to a person during the period of his life after he has achieved success and has retired. Besides the financial need for employment by older people, Col. Williams said, there is a psychological need to regain status.

Mrs. Nick A. Gerritsen, social studies chairman of Medford branch, American Association of University Women, reported on a survey of employers which AAUW is making throughout the country. Information such as the age of employees, retraining programs, pension plans, and rating scales is being compiled for use in the national study of the problems of the aging population.

Hostesses for the evening were Mrs. Lucine Miles and Miss Grace Stuhr. A short business meeting was conducted by Miss Myrtle Osterdale, president. Guests present, in addition to the panel members, were Victor Peterson and Virgil H. Mohr.

Travelers Return To Central Point; Seattle Woman Here

Central Point—Mrs. Arthur Ayers returned recently from a week's visit with her son-in-law and daughter, Mr. and Mrs. John Sharp and family of Eugene. The Sharps are former Central Point residents.

Mrs. Ayers drove to Eugene with Mrs. John Clark of Central Point and Mrs. Clark's father, Arthur Webster, Medford. They continued to Seattle where they visited Mrs. Clark's son and daughter-in-law, Mr. and Mrs. Rollie Clark and their son, David. Accompanying the Clarks to Central Point from Seattle was Mrs. Nellie Winnans. She is a guest at the home of her brother-in-law and sister, Mr. and Mrs. H. J. Fleischer.

Potpourri hopes that today's picture page and the accompanying material will bring many recruits for the Friendly Visitor's Service. Such volunteers are urgently needed. It takes but one visit to almost any convalescent or nursing home to show the need for friendly, cheerful and willing workers to help the residents and patients in the homes.

Women and men interested in learning more about the Friendly Visitors may call Mrs. Judd Greeman or Mrs. Chester Guches. In some ways this service is easy—in others it is difficult. There are those quite overwhelmed by the sight of the aged so crowded together in quarters sometimes not as well suited for the purpose as they should be. Operators of these homes are often the first to admit that larger and roomier and more modern structures are needed, but somehow the money is not always available. Americans are noted for their lavish cars and clothes and huge expenditures for liquor and cigarettes; yet we have trouble providing money enough for proper schools, hospitals and homes for the aged and ill.

Photographer Robert Vroman, along with some forward looking architects and social workers, has ideas about the construction of institutions for the aged. He believes that some, at least, should be small units, constructed in compound fashion around courts or gardens and parks. In these small one or two-room apartments, built with the needs of the infirm and aged in mind, single patients, or husbands and wives, could live in comparative privacy but with nurses, attendants and doctors close at hand. Dining rooms could be operated for the residents, and recreation rooms and areas provided. If there are such institutions in other cities or states, we would be interested to learn if the arrangement is not considered superior.

Some of the women who make regular visits to nursing homes find this activity extremely rewarding. The women of Travel Study club, for instance, have expanded their efforts at one of the homes and now help the residents by buying new and used clothing and other necessities. The owner of one cleaning establishment cleans the clothing, sometimes purchased at rummage sales, without charge as his contribution to the project.

The society gals, always interested in different names, added a couple to the list last week. At the Mitchell sanitarium in Jacksonville we met Pearl Snow, "Pearl" in this instance being an interesting gentleman who formerly lived in Pendleton. We also met a woman with a most unusual name—Tarcy Tracy. Try that on your lino type machine!

Potpourri saw an unusual sight last week, too. Mann's department store with the counters, where merchandise for sale can be displayed and examined, given over to watercolors, oil paintings and wood carvings. The works were displayed by members of the Southern Oregon Society of Artists.

Although having the pictures on the counters made work somewhat harder for the clerks, we heard no complaints. Both Claire Proctor and Doris Caldwell said the display had been an interesting experiment and Mrs. Proctor added "it was a challenge to our salesmanship." She said, proudly, "I even sold two pictures."

We learned that the staff had been surprised at the large number of persons who came in to see the paintings and carvings. However, no one should be surprised any more at the local interest in art. March 5 Mrs. Tom Staley and her son, Don, held a mother-son show at Girls Community club. They were quite astounded when more than 600 persons attended the show, in spite of driving rain a great part of the day, and the two sold a number of paintings.

The three Staleys dreamed up advertising for the show, and also handed out ballots, an art directory and an art dictionary, all mimeographed on colorful paper. At one point in the literature the writer (we're not sure which Staley) said—concerning artistically bad nudes, that nude walls are what is really bad and added "a dead, drab wall is a stupid thing to live with. It can bore you, to death. You got one? What is it doing to you, to your children, friends, customers, patients, clients. A painting you like can radically transform the whole place and you know it. Remember, 50,000 years ago this magic was discovered by stone age men in caves—put a picture on the wall!"

So, when a department store takes its merchandise off the counters and displays paintings, and a mother-son show can attract 600 visitors, someone must be interested in local artistic effort.

The society editor was about to get behind the wheel of Doll T. parked at the gas pump, when a woman hurried up and asked, apologetically, "Do you mind if I watch while you get in? I've always wondered where the feet go in cars like this?" We got in and she peered down to look inside and said "Why, there's a lot of room in there!" We assured her there certainly was, we both smiled and parted friends.—O.S.

Workshop Slated By Local Nurses

A workshop for all registered nurses on the subject of aortic surgery, aneurysms and thrombi will be sponsored by the general duty section of Oregon Nurses association, district 4, Tuesday, March 15. The program will begin at 7:30 p.m. in the board room of Rogue Valley Memorial hospital. A colored film will be shown and a panel of physicians and nurses will discuss the subject. Non-association nurses attending the workshop will be charged a small fee.

Mistletoe Club To Hold Party

Mistletoe club will hold a public card party March 23 at Girls Community club. Dessert luncheon will be served at 12:30 o'clock.

Reservations may be made by calling Mrs. E. M. Lovell, SPring 2-4954, or Mrs. L. S. Bashaw, SPring 2-6733.

Mistletoe camp, Royal Neighbors of America, will meet Thursday, March 17, at 7:30 p.m. in the Pythian building.

Practice for convention is planned.

Meeting Postponed

Bethel 14, International Order of Job's Daughters, announces that the meeting scheduled for March 16 has been postponed because of spring vacation and will be held Wednesday, March 30, in the Masonic temple.

Choir practice scheduled for March 14 is also cancelled and will be held Monday, March 28, at the regular time.

The guardian council meeting will be held Wednesday, March 23, the place to be announced later.

Program Planned On Stewardship

Mrs. David Chirgwin and Mrs. Glen Duysen will be in charge of a program on "Stewardship" to be presented to the Woman's Society of Christian Service in First Methodist church, Tuesday, March 22 at 1:15 p.m.

Dr. George Roseberry will speak on the part of the Woman's Society in social welfare projects. Mrs. Richard Jewett and Mrs. James Baumer will also take part in the program and Mrs. Charles Jones will give the afternoon devotions.

A business session will begin at 11 a.m. with Mrs. Milton Snow presiding after the morning devotions of the Woman's Society at 10:30 a.m. Circle 4, with Mrs. E. G. Paschke as chairman, will serve luncheon at 12:15 p.m. and a pre-school nursery is to be provided throughout the day.

Dakotans Leave After Visit Here

Central Point—Mr. and Mrs. John Pfaff of Herrick, S.D. have left for home after spending a few days in Central Point. Before arriving in Central Point, the visitors had gone to Bremerton, Wash., they attended the fiftieth wedding anniversary of Mr. Pfaff's brother and sister-in-law, Mr. and Mrs. Fred Pfaff.

Mr. Pfaff is an uncle of Mrs. Max Burd, Dale Bartley and Mr. Robert Pfaff, all of Central Point. In addition the Pfaffs also visited Mr. and Mrs. John Ahorn of Central Point.

Beehive Friendship club will meet at the home of Mrs. Agnes Furch, 31 Mistletoe street, Monday, March 14, for a dessert luncheon at 1 o'clock.

CALENDAR..
