**Who's Who!** By **Frances W. Keene**

Here is a good party game. Write the names of famous people on slips of paper, and pin one to the back of each guest. By asking questions of each other that can be answered "Yes" or "No," the players try to find out who they are. You might say, "Am I a man?" ... "Am I old?" ... "Do I sing?" Ask only one question to a person, then go to another. You may return, if necessary, to ask more questions. Have people be presidents, baseball players, musicians, or famous characters from history, such as Betsy Ross, Daniel Boone, and King Arthur.
