Reward Offered For Mail Thieves

Chicago–(UPI)–A $12,000 reward was offered today for three mail thieves who shot and killed two undercover postal investigators.

The Post Office Department announced the reward in thousands of circulars distributed on the city's near south side where the investigators, John McAuliffe, 36, and Benedetto Spizzirri, 42, were killed Monday night.

Jereme Williamson, chief postal inspector for the Chicago area, launched the biggest federal manhunt in the city's history by throwing 700 government agents into the search for the killers.

Several suspects were arrested but all had alibis and were cleared of involvement in the shooting.

The investigators were believed to have caught the three thieves taking mail bags from Chicago's La Salle st. station. McAuliffe and Spizzirri made their fatal mistake when they frisked the men but failed to find a hidden pistol.

Rockefeller Holds Nixon Support

Albany, N.Y.–(UPI)–Gov. Nelson A. Rockefeller today held back an endorsement of Richard M. Nixon's presidential candidacy but agreed to take an active part in the GOP national campaign.

Rockefeller, who withdrew as a possible White House candidate, said he had no immediate plans for publicly endorsing "any individual" for the presidency. But, he said he might campaign for Republican candidates in other states.

The New York governor said his first appearance would be in North Dakota where Gov. John E. Davis is opposing Democratic Rep. Quentin Burdick in a special U. S. senatorial race.

Asked for comment on Washington reports that he would actively campaign for Nixon, Rockefeller replied:

"I have not endorsed any individual. I think it is fair to say neither has the President."

Separate Trial for Carole To Be Asked

Los Angeles–(UPI)–Attorneys for Carole Tregoff will attempt Thursday to divorce the attractive model's fate from Dr. R. Bernard Finch.

The district attorney's office goes into court to have a date set for the second murder trial of the accused lovers, but Attorney Robert A. Neeb Jr., said he will oppose having Carole again tried with the 42-year-old physician.

The couple went through a drama-packed, three-month trial which ended in a mistrial Saturday when their jury deadlocked, voting 8-4 to free Carole and 10-2 to convict Finch of the July 18 gunshot slaying of Finch's wife.

Neeb said he also would present a formal motion to have Carole freed on bail pending her second trial.

Council on Aging To Meet Thursday

The Rogue Valley Council on Aging will hold its regular meeting at 3 p.m. Thursday, March 17, in the Senior Activity Center on Jackson st., Medford.

Future plans of the council were discussed last week at a meeting of the recently elected executive committee.

Frank Glonning, chairman of the executive committee, named a committee to initiate inquiry into possibilities of obtaining a Ford Foundation grant for community research in problems of the elderly. Grants will be awarded to eight communities in the country which will be selected from applicants by a screening committee headed by Miss Ollie Randall, vice chairman of the national committee on aging.

Another committee appointed by Glonning will consider plans for the future of the Senior Center.
