

Airliner Lands With Flat Tire

New York—UPI—An American Airlines Boeing 707 jet inbound from Los Angeles circled Idlewild Airport for 15 minutes Friday after the pilot reported his plane had a flat tire, then landed safely as crash crews stood by.

The 707 has eight main landing wheels and two smaller ones and said, "She has so many wheels, you couldn't even tell she had a flat after she landed."

Iceland is about the same size as Kentucky.

Future Homemakers Pick Hermiston Girl

Salem—UPI—The Oregon Future Homemakers of America installed new officers here Friday. They include Dorothy Waas, Hermiston, president; Kathy Wittwer, Rainier, vice president; Darlean Fine, of Antelope, secretary, and Sharon Morgan of Cheshire, treasurer.

Individuals Advised To Heed Admonition Concerning Prayer

By THE RT. REV. POLYEFKTOS FINFINIS Bishop, Greek Orthodox Church
Pittsburgh, Pa. Written for UPI
During a time when the human soul finds itself in conflict and restlessness, the following words of our Lord are quite apropos. "But this kind never comes out except

by prayer and fasting" (Matthew 17, 21).
Individuals as well as nations should heed this admonition concerning prayer, fasting and then spiritual regeneration. This is particularly true of those who with their denial and materialism pose a threat to the happiness and existence of humanity. The more we depart from that

salvation, which is a result of spiritual and moral values, the more we approach the borders of misery and disintegration.
Both knowledge and glory without God result in confusion. Life without a continuous preparedness for good is the beginning of the abasement of our personality. Whenever the covenant be-

tween man and God is betrayed the degeneration of society begins.
The natural place of man and his hope is near God, regardless of any human achievements. For without God, progress, wisdom and love are meaningless. Let us therefore keep these thoughts in our hearts and mind during the Lenten season.

Cuban Officials Request Asylum

Washington—UPI—Two recently resigned Cuban officials have asked the United States for asylum, it was learned Friday.
The Immigration Service said Lt. Cmdr. Miguel Pons and Capt. Angel Saavedra have asked permission to stay in this country indefinitely. Pons was naval attache and

Saavedra military air attache at the Cuban Embassy here.
