QUIPS AND QUOTES

Help Wanted?

Up leap the guests in a merry squad
To do a stint at kitchen police.
They banter and jostle
In labors colossal—
And somebody spills a pan of grease.

And somebody seems to have clogged up the drain.
And somebody's shattered a Wedgwood cup.
Well, that's how it goes.
But everyone knows
The hostess needs help in cleaning up.

And the hostess knows when she needs it most:
It's after the last "good nights" are yelled,
And she wearily ambles
To view that shambles—
The kitchen in which her guests have "helped."
