Actress Loses Furs to Thieves
 Hollywood—UPI—Actress June Wilkinson, who never has to worry about her buxom 43-20-36 figure, was robbed of \$4,100 worth of furs Sunday while she was out eating banana splits.
 Police said burglars apparently forced the front door of Miss Wilkinson's apartment while she and her roommate, writer Shirley Gardner, were on the banana split kick.
 "I never have to watch my figure," the British actress told reporters. "It just seems to take care of itself."
 "Today was my birthday, too, My 20th."
 "Without furs, what's a girl to wear?"

Pope Names 3 More Cardinals
 Vatican City—UPI—Pope John XXIII named three more cardinals of the Roman Catholic Church today but kept their identities secret from the public.
 Vatican sources said the Pope told the College of Cardinals of the appointments of a secret consistory called to approve the designation of seven previously announced cardinals, including two Asians and a Negro.
 The 78-year-old Pontiff met with cardinals of previous creation in the Vatican Palace to ask their formal approval of the seven.
 The sources said the three new names would be announced at a future consistory.
 The disclosure was a surprise. It means the College of Cardinals will be raised to an unprecedented 88. This tended to support speculation that Pope John may increase its size to as much as 100 in line with the growing membership of the Roman Catholic church.
 The Vatican estimates there now are more than half a billion Roman Catholics in the world and that this figure is growing at the rate of 15 million a year.
 Today's consistory began four days of solemn ceremonies installing the seven named earlier.

JOKES ON ANNIE
 Liverpool, England—UPI—Mrs. Annie Tedcastle knitted a few tiny garments for her best friend's grandson, wrapped them up and addressed them, and as a joke wrote "to his majesty the baby" on the package above her friend's address. The tiny garments were delivered to Buckingham Palace and Mrs. Tedcastle's friend, Mrs. Mabel Kelsey, got a nice thank you note from a palace official.

BUNGLING BURGLARS
 Rush City, Minn.—UPI—Employees of the Nessel hardware store came to work the other morning to find a cartoon postcard lying beside a safe which burglars had failed to open. The postcard showed a rope breaking above a would-be suicide and was captioned: "Some fellows can't do anything right."
