

Humphrey Stumps On Sen. Kennedy's Record of Voting

Milwaukee, Wis. (UPI)—Sen. Hubert Humphrey (D-Minn.), finding more fault with the voting record of Sen. John Kennedy (D-Mass.), returned to Milwaukee today for two days of stumping in search of votes in the Wisconsin presidential primary.

Humphrey hinted broadly that Kennedy, his opponent in the April 5 election, would not be able to successfully fight for legislation to close federal tax law loopholes.

Hints at Tax Record

The Minnesota senator told an audience at Superior, Wis., Tuesday night that the federal tax system could be corrected only "if we have a candidate willing to carry on the fight — and one with a personal record to back it up."

He indicated Kennedy did not have the needed record because he did not vote with Democrats in 1954 to reduce tax relief for upper income brackets, and in 1958 did not support higher tax exemptions and a cut in the depletion allowance on oil reserves.

Humphrey said Kennedy did change his stand on the last two issues and did vote for them in later congressional sessions, but he said both the reduction and the depletion allowance Kennedy voted for were smaller than those originally proposed.

JOSEPH CORBETT JR. Wanted in Coors Case (UPI-Telephone)

Escaped Killer Added To List Wanted by FBI

Denver (UPI)—The FBI today placed on its 10 most wanted list a fugitive murderer who has been linked by circumstances with the disappearance of millionaire Colorado brewer Adolph Coors III.

Joseph Corbett Jr., 31, moved out of his Denver apartment Feb. 10, the day after Coors disappeared while driving from his ranch home to his brewery at Golden, west of Denver.

Coors' truck was found abandoned on a bridge, and there were bloodstains near it on the ground. Coors' spectacles and cap were found on the creek bank.

The day before Coors disappeared, a yellow car was seen near his home. Corbett drove a yellow 1951 auto.

Corbett's car was found burned near Atlantic City, N.J., Feb. 19. No trace of the fugitive has been found since. Considered Dangerous

The FBI said Corbett should be considered armed and dangerous. A one-time university student, he was described as having superior intelligence but possessed with fantasies of being all-powerful. He went by the name of Walter Osborne.

Corbett was serving a 10-year sentence in California for the 1950 hitchhike slaying of an Air Force sergeant. He escaped from the minimum security Chino Prison in 1955.

Dog Sympathizer Collared by Police

Grand Prairie, Tex. (UPI)—Coy Hubert Herrin, 24, tried to engineer a mass break from the city dog pound but police put the "collar" on him instead.

Police said they caught Herrin prying locks off the dogs Tuesday. Detective K. B. Burr said it might have been funny, but the inmates of the pound have been freed at least 15 times in the past two years.

Herrin was charged with burglary charges against Herrin. "I just don't like to see dogs peed up," Herrin told police.

Klamath Slayer Files Petition

Portland (UPI)—A man sentenced to life for the slaying of a Klamath Falls woman filed a petition in Federal Court here for a writ of habeas corpus seeking his release.

William Thomaston, 48, was sentenced in March in 1959 on a second degree murder charge in connection with the rifle slaying of Mrs. Edith Atkins. In a 24-page petition he claims his confinement in the state prison is unconstitutional and that he has been denied his rights.

Schrunk Frowns On Armed Guards

Portland (UPI)—Mayor Terry Schrunk told a union delegation Tuesday he believed that arms on either side in the current newspaper strike would invite violence.

The mayor heard a delegation from the Inter-Union Newspaper committee which protested a ruling of the city attorney that said, in effect, armed guards on private property were legal.

Schrunk said he was opposed to arms for either side and that he probably would vote against a license for the Wallace Security Agency when its application comes before the city council.

Spokesman for the union group was John Donovan of Los Angeles, who said he represents the International Printing Pressmen's Union but in this case was speaking for the local committee. Donovan presented a resolution from the Central Labor Council requesting the city council to deny a license to the agency.

Schrunk said he believed newspapers should reexamine their position even if they had constitutional rights to hire armed guards.

Solomon Fails To Answer Call

Knoxville, Tenn. (UPI)—Judge J. Fred Bibb, pondering a complicated legal problem muttered to himself Tuesday: "Call for Solomon."

Bailiff Carl Bell, hearing the judge, stepped out to the hall calling: "Solomon... Solomon... Solomon..."

"He doesn't answer, your honor," Bell reported. "Thank you, Mr. Bell," the judge replied. "I guess we're several thousand years too late."

Flares Reported In Heppner Area

Heppner, Ore. (UPI)—A search was planned when weather permitted of a hilly area southwest of here after flares were reported seen in the area Monday night.

No airplanes were reported missing but Sheriff C. J. Bauman said a search would be made to check on the flare reports. Bad weather prevented aerial search Tuesday.

Commercial fishing in Mantoloking's lakes and streams averages an annual value of more than \$6 million.

Oslo (UPI)—Princesses Astrid of Norway, Margaretha of Denmark and Margaretha of Sweden will visit Los Angeles in June.

Moscow (UPI)—The Supreme Soviet of the U.S.S.R. will convene May 5, the Presidium of the Soviet Union announced Tuesday. The agenda was not announced.
