Bid Invitations Are Issued by Bureau

Invitations have been issued by the bureau of reclamation for bids for construction of about four miles of canals and three miles of drains and related structures near Tulelake. Bids will be opened May 17 in Klamath Falls.

The construction, at Sump 2 about seven miles southwest of Tulelake in Siskiyou county, is the second segment of a four-year program to provide facilities for improved irrigation and drainage on 17,000 acres of Tule lake bottom lands.

The lands have been reclaimed by the Klamath federal reclamation project by diking and diversion and pumping of inflow from Lost river. Soils are among the most productive in the Klamath basin, according to the bureau, and the improved facilities are needed to maintain the high productivity through more efficient irrigation and drainage practices.

The lands are in federal ownership and served by Tulelake Irrigation district. Present farming is done under leases with the bureau.

"Rin's eating now. Not as good as we'd want him to, but he's eating."

Confraternity Helpers To Meet Here Tonight

A meeting of the Helpers of the Confraternity of Christian Doctrine of Sacred Heart parish will be held at 8 o'clock tonight at the home of Mrs. Shirley Drysdale, 23 North Orange st., Medford.

Mrs. R. J. Batzer, chairman of the group, has asked that anyone interested in this phase of the Confraternity program attend the meeting and take scissors. Other materials needed for the current projects of the Helpers will be provided.

A special appeal is made to the mothers of children attending the Saturday catechism classes at St. Mary's school. Holy cards, pictures, book marks and teaching aids made by the Helpers are used in the classes, and it is the hope of the committee that more of the mothers of the

children concerned will join in the effort to make the classes as beneficial and interesting as possible.

Those who have no interest or talent in this respect are still needed in other parts of the Helpers program, according to Mrs. Batzer. The group is responsible for transportation of children, baby sitting for discussion club members, assisting teachers at Saturday classes, compiling and keeping files, and clerical jobs.

Anyone wishing to help, or having questions to be answered, may call Mrs. Batzer, SPring 3-5465, or Mrs. Dean DeLap, SPring 3-3936.
