Washington, Hoover and Roosevelt in the National League and West Side, Lincoln and Lone Pine in the American won games yesterday in Medford district grade school baseball.

Washington won 6 to 3 over Jefferson on the strength of five runs in the first inning. Hoover beat Griffin Creek 6 to 0 on a one-hitter pitched by Mike Cox who doubled and drove in two of his team's runs. He struck out nine batters and allowed the only GC hit to Lindell Carney.

Roosevelt won 6 to 5 over Wilson, getting all its runs in the first two innings. Wilson relief twirler Bill Atwood held Roosevelt down over the last three innings but Wilson couldn't get quite enough offense to catch up. A squeeze play failed for the losers in the last inning.

Mike Offord's double knocked in the tying and winning runs for West Side in a 7 to 5 verdict over Howard. Three walks and a sacrifice by Ernie Dawson helped WS to its three runs in the last frame. Lone Pine got nine of its counters in the second inning to beat Ruch 10 to 8. Kent Clark homered for the Piners and Neil Shaw got two hits to drive in three runs.

Lincoln, with an 11-run third canto, whipped Jacksonville 12 to 4. Hits by Donald Stickle and Mike Allen, nine bases on balls and two errors contributed to the big inning. Ron Jones struck out the side in both innings he pitched for Lincoln.

Portland—UPJ—The Portland Beavers of the Pacific Coast league Friday announced the acquisition of outfielder Joe Gaines, a 24-year-old right-handed hitter known as a speedster. Gaines played with Savannah of the South Atlantic league last year and batted .278, including 13 homers, four triples and 22 doubles. He was optioned to Portland by Cincinnati of the National league.

Arnold Palmer Nabs Masters Golf Lead

By LEO H. PETERSEN UPI Sports Editor

Augusta, Ga.—Arnold Palmer conquered his jinx hole, so he figured today that he was well on the road to his second Masters golf championship.

He held a two stroke lead over the field going into the second round and it looked like there would be no stopping him—especially if he can keep out of "Palmer's pond."

He did Thursday to shoot a brilliant five under par 67—two strokes better than his nearest first round pursuers—the veteran Claude Harmon, former PGA champion Dow Finsterwald, Jay Herbert and Fred Hawkins.

And while that par three 155-yard water hole turned out to be a major factor in Palmer's round it turned out to be a nightmare for Ken Venturi.

The 29-year-old Californian had burned up the front nine in 31-five under par, equalling the course record and looked like a good bet to overhaul Palmer until he came to that vital 12th.

Where Palmer got a good break on the hole, Venturi got a bad one, and it so unnerved him that he soared to a six over par 42 on the back nine to wind up with a total of 73.

That duplicated his performance of 1956, when as an amateur, it looked like he had the championship in the bag, but went to pieces on the back nine, wound up with that bugaboo 42 and lost out by one stroke to Jackie Burke.

Palmer, the 1958 winner, lost his chance to win last year when he put his tee shot in the water on that 12th hole and wound up with a double bogey. Thursday, his tee shot imbedded in the lip of a sand trap. The officials ruled he was entitled to a free lift.

Twice he dropped the ball over his shoulder, and twice it went into the sand trap. Because golfing rules stipulate that you can't drop a ball into a hazard it finally was ruled that Palmer could drop it in the grass near the green. He did and got his par three.

CLARK FAVORED

Ogden, Utah—UPJ—Knock-out artist Lamar Clark was rated a slight favorite to beat promising heavyweight Bartolo Soti tonight in their nationally televised bout from Ogden's Weber High gym.

The two powerful punchers meet in a scheduled 10-rounder and few people expect the bout to go the limit. The fight will be televised nationally by NBC. The main event takes place at 7 p.m. (p.s.t.).

Webfoots Face Fresno State

Eugene—UPJ—Oregon's track and field team, rated by many as the strongest in the school's history, takes on Fresno State here Saturday in its first dual meet of the season.

Oregon last weekend for the third straight year captured the Northern division relays here.

Also in on the competition will be members of the Emerald Empire Athletic Association, composed of former Oregon Stars. These include Bill Dellinger, U.S. Olympic distance hopeful, in the two-mile; Jim Grelle in either the 800 or the mile, and Otis Davis, who has done the 440 in 46.2.

Another feature of the week end schedule here will be a tuneup decathlon meet in preparation for the national championships and the Olympic Games trials to be held July 8-9 here. Dave Edstrom of Oregon, Steve Anderson, a former Webfoot; Steve Pauly, Oregon State track ace, and Bob Lawson, former Southern California star, will compete.

At even par 72 were Stan Leonard of Canada, Julius Boros, Walter Burkemo, Ted Kroll, Gary Player of South Africa, former U.S. amateur champion Charley Coe, Billy Maxwell, Jackie Burke, Mike Souchak and Lew Worsham.

The two sentimental favorites, Sammy Snead and Ben Hogan, each carded a 73 while another favorite of the fans, Cary Middlecoff, had a 75.

IN VICTORY TOURNEY—Irving (Chief) Gray, above, led off in participation at the Veterans Administration domiciliary, White City, in the annual Bowlers Victory Legion tournament. Scores being chalked up at the White City alleys by the seven-man team representing the domiciliary indicate that the station may be in running for top national honors this year. Gray and Russell Ross are on the crew with Barney Owens, Steven Mostowski, Otto Kahner, George Ryan and Allen Halsey. Two more Monday nights, April 11 and 18, have been reserved for tournament kegling. A team from First National Bank in Medford is providing "dummy" opposition. Last year 77 teams from 64 VA stations took part. Arrangements for White City VA participation have been made each year through Paul Dimick, secretary of Medford Bowling association. Chief Gray is impressive despite disability. The ex-Marine and member of the Veterans of Foreign Wars is also a good performer in golf. Gray, with a top score of 268, was once Army-Navy bowling champ. His home town is Seattle.

Off-Season Deals Make Giants Look Sharper Than Ever

This is the 15th of 16 dispatches on the 1960 prospects of the major league teams.

By SCOTT BAILLIE Phoenix, Ariz.—UPJ—Well, can the San Francisco Giants win it this time?

Last season they led the National league for almost 10 weeks, then collapsed in the late stages and finished third when the pitching staff ran out of gas.

Now Manager Bill Rigney, who only has a one-year contract this time, has been neatly placed on the spot by a pair of off-season deals which make the team look sharper than ever. On paper, that is.

The pitching staff was strengthened by the acquisition of southpaw Billy O'Dell (10-12) and Billy Loes (4-7) from Baltimore.

And the club also got Don Blasingame, one of the league's best second basemen, from St. Louis.

"I'd think they'd win the pennant now," Johnny Temple, the former Cincinnati second baseman, recently said at the Cleveland training camp. "They got two good pitchers which they needed and gave up nothing for 'em."

"We'll be contenders," Rigney, naturally, isn't saying anything like that. "All I feel is that we'll be a contender," the tense manager declares. "The experience of last year helped us and our defense is better. Our pitching is deeper. But we still need a stronger bench."

O'Dell figures in Rigney's plans as an extra starter or middle-inning pitcher. Erratic Loes, it is hoped, will be the late-inning rally stopper. That means that the Giants now have a premium starting staff which includes Sam Jones (21-15), southpaw Johnny Antonelli (19-10) and Mike McCormick (12-16) and right-hander Jack Sanford (15-12).

George Zverink, former Baltimore right-hander now on a "look" from the Miami Marlins, also has shown well in spring games and might give the staff added depth.

The infield could be the best in the league. Willie McCovey, who batted .354 last year while winning the Rookie of the Year award, is installed at first base. He hopes to have a better all-around season, which means that his fielding still needs some improvement.

Blasingame, a sharp leftie, is at second and much is expected of him. Ed Ruesch is at shortstop and Jim

Yankees In Stride; Nab Third Straight

By JOHN GRIFFIN United Press International

All of a sudden it's time for the rest of the American league to start worrying—the Yankees are starting to play like the Yankees again.

Now it's three straight victories for the former rulers of the American league, the latest a 2-1 triumph over Detroit behind the combined three-hit pitching of Bob Turley and Byrne Duren. That sounds more like the Yankee world champs of 1958 than the third-place flops of 1959.

Even Casey Stengel will admit that Grapefruit league victories aren't worth a dime in October, but this was the second straight fine performance by Turley—who has been tabbed the key to the Yankee pennant hopes.

Firing Rock Hagen Turley, who has abandoned the no-windup style and is firing that rock again, ran his string of scoreless innings to 12 before tiring in the seventh inning of Thursday's game and allowing a run on Neil Crisley's double and Steve Bilko's single. When he walked the next batter, Duren got the call.

That produced more bad news for Yankee foes, because Duren—like Turley—was in 1958 rather than 1959 form. He finished the game without allowing a hit and blazed a

200-yard butterfly in the 11-2 free style and third in the 200-yard medley relay. The boys 13-14 combination of Mike Curtis, Danny Zenor, Bruce Hess and Dale Vaughn were fourth in the 200-yard medley and fifth in 200 yard free style. The Medford 11-12 girls team of Rhonda Hess, Sue Preston, Judy Johnson and Ursula Drysdale was fifth in 200-yard free style.

Twenty-five Medford swimmers entered were among 40 entrants representing 18 teams.

Medford YMCA's women's volleyball team also contended at Eugene, playing four games in one night. How it placed was not reported.

4-Minute Mile Cunliffe Goal

San Francisco—UPJ—Ernie Cunliffe, handsome Stanford senior, will take a shot at the four-minute mile Saturday when he races against men from Kansas and San Jose State in a triangle meet.

And the way Coach Bud Winter of the Spartans and Coach Payton Jordan of Stanford talk, Ernie is capable of being the second United States citizen ever to crack the barrier.

While Europeans and Australians have been under the magic figure in droves since Roger Bannister first electrified the sports world with his feat, only Don Bowden of this country has been able to join the elite.

"But this boy Cunliffe," says Winter, "is so well conditioned right now and running so smoothly, that he could do it if everything goes right."

Andre Rogers, who failed to make the grade as a shortstop last year, now is being tried out at third and first base as a possible utility man. Joey Amalfitano, whom the Giants signed as a bonus player in 1954 then drafted last winter from Toronto where he hit .308.

Can Rigney make his club live up to its advance notices? "We'll do our best, that's all," he barks.

Beavers Gear For 2 Meets

Corvallis—UPJ—Oregon State's track and field team geared itself for two meets in three days today. The Beavers face Washington here Saturday and Fresno State here Monday.

Coach Sam Bell said he expected the meet with Washington to go right through to the wire although his Beavers finished many points ahead of the Huskies in last week's Northern division relays at Eugene.

third strike past three batters. The Yankees scored once in the first inning when Bobby Richardson's drive over the left fielder's head rolled 450 feet for an inside-the-park homer, and another in the fourth on hits by Hector Lopez and Elston Howard and a sacrifice fly by Tony Kubek.
