

Cancer Committee Sets Date for Annual Event

The Medford committee of the American Cancer society held its monthly meeting April 5 at Hillcrest Orchards, and plans were completed for the silver tea which is held annually at Hillcrest during Cancer month.

The theme chosen for the tea this year is the United Nations, and the date to be remembered by valley women is Thursday, April 28, from 2:30 to 4:30 p.m.

Members of the committee will wear the national costume of various countries, and exhibits will feature the unique and the beautiful handwork that has come from all over the world, and is treasured in many valley homes. Objects on display will be modern or antique, a departure from other years when the collections have all had historical interest.

A flower arrangements contest will be held again this year, since this event has proven so popular with the tea guests. Many clubs and organizations will enter the contest, and prizes will be awarded the two arrangements most admired by the guests, who will vote for their favorites.

Mrs. N. James Wilson, Mrs. Ivan Harrington, and Mrs. L. Scott Ellis are chairmen for the tea this year, and all other members of the Medford committee have specific assignments. Mrs. Fred Lewis and Mrs. Warren Bayliss are in charge of the tea table, and Mrs. John Weisel is planning the tea dainties.

Mrs. Darrell Miller and Mrs. Fred Spiegelberg will take charge of the guest book and the notes of appreciation. Publicity is being handled by Mrs. Ray Casterline and Mrs. B. Brandt Bartels.

Prizes for first and second place in the floral contest will be selected by Mrs. Russell Barnes, who will take charge of the voting, and the exhibits of foreign products are being planned by Mrs. Fred Burich, Mrs. Thomas Bolton, and Mrs. John Day. Mrs. L. W. Bates is arranging the committee schedule for the day of the tea, and the decorations at Hillcrest will be supervised by Mrs. Ray Frisbie, Mrs. Richard Schwahn, Mrs. Eugene Meyerding, Mrs. Glenn Hale and Mrs. Earl Jossey, co-chairmen of the Eagle Point committee of the ACS.

Committee members are dependent upon the cooperation of many valley women, who will soon be announced as contributors to the work of the American Cancer society.
