Gold Hill - A cancer film "The Other City," sponsored by the Gold Hill Health unit will be shown, Monday, April 11, at 1 p.m. at the Community Methodist church.

Mrs. Paul Molloy, cancer chairman, has announced that both men and women are invited to attend. There will be no charge and child care will be available.

A doctor will be present to answer questions during a question and answer period following the film.

Later a social hour will be held and refreshments served. Mrs. Melvin Burnette, Mrs. Delos Walker, Mrs. Clarence Parsley and Mrs. Arthur Boye will be in charge of refreshments for the affair.

Final arrangements for the occasion were made during a business session held last week at the home of Mrs. C. Norman G. Hill. Co-hostesses were Mrs. Harry Quinn, and Mrs. Edward Knapp. Mrs. Clarence Parsley, vice-president of the group conducted the session in the absence of Mrs. Ted Schoenemann, president of the unit.

**On Committee**  
Mrs. Delos Walker was named to represent the Health unit on the summer recreation committee. She will attend a planning meeting with representatives from other participating groups, Monday, April 11, at 7:30 p.m. in the Hanby school's cafeteria. Members of the unit voted to make a cash contribution to the summer recreation project which has been proposed to benefit local youngsters.

Ten members volunteered to bake cakes for the annual Jackson County Tuberculosis and Health association's luncheon which will be held Friday, April 22, at 12 noon at the Red Cross building, Medford. Cakes may be left either at the home of Mrs. Delos Walker or Mrs. Arthur Boye. Mrs. Parsley named a nominating committee to select a slate of officers for the ensuing year. They are Mrs. Walker, Mrs. Quinn, and Mrs. Gervas Southall.

Mrs. Melvin Burnette, preschool clinic chairman, announced that the annual preschool clinic for youngsters who will enter first grade at Patrick school in September will be held Wednesday, May 18, from 9 a.m. till 12 noon at the school. Named on the committee to assist the health nurse, Miss Elizabeth McGalliard, and Mrs. Burnette with the clinic are Mrs. Wilmer Bailey, Mrs. Dale Smith, Mrs. Walker and Mrs. Clyde Kell.

**Annual Picnic**  
Plans were made to hold the annual Health unit picnic at the home of Mrs. W. S. Dickinson, Sardine Creek road, Tuesday, May 2. When the Explorer cabinet of Crater Lake council, Boys Scouts of America, planned an Explorer dance, they thought about 50 young people would attend. More than 175 turned out, some coming from as far away as Northern California towns. The dance was given in the Pioneer room of the Jackson hotel, and part of the group are shown having fun doing the "bunny hop." This is one of three special events planned by the council for Explorer Scouts this year.

## Annual Fellowship Day Announced by Council

Medford Council of United Church Women is this year joining more than 2,200 local and state councils in the observance of May Fellowship day. It will be held Friday, May 6, at which time attention will be focused on the theme "Citizenship, Free and Responsible."

Mrs. Everett Lasher and Mrs. Lyle Schoppert are the day's chairmen.

The original plan for May Fellowship day was to foster closer fellowship among Christian women of various denominations. Gradually programs have widened through this fellowship with the result that viewpoints and activities too, have assumed greater importance in church relationships in this country, it is said.

This year, which is election year, the council reminds women of their duty as citizens to become interested in political issues as related to the well being of the country. Councils are advised to form study groups to consider major issues in the campaign or the records of local, state and national candidates.

Dr. John C. Bennet in his book "Christians and the State" writes "It is the responsibility of Christian citizens to

use their intelligence to find the best movements and policies and candidates to support."

Mrs. Lionel Rankin and Mrs. Bryon Pierce, chairmen for the luncheon, state that their plans call for a colorful spring time setting which will be called a May basket luncheon. The luncheon will be served in the YMCA building and a nursery will be maintained in the First Methodist church.

Women from the several affiliated churches have been chosen to care for program activities and these include Mrs. B. M. Hoover, Mrs. Stanley Martin, Mrs. Walter Higgins, Mrs. Charles Henry, Mrs. Walter Nunley and Mrs. C. W. Kline.

Mrs. Jack Teeters is poster chairman and Mrs. Iver Iversen and Mrs. William Myers are in charge of luncheon tickets.

### Juice and Fruit

Step up your family's vitamin intake by serving two fruits for breakfast. Start the meal with orange or grapefruit juice, and serve a broiled cling peach half along with the bacon and eggs or French toast.
