

Dr. Strand Will Speak in City

Dr. A. L. Strand, president of Oregon State college, Corvallis, will speak here April 27 at a meeting of the 30 Staters, alumni group. Students from various high schools in the county will be guests.

Jack Hanel was elected president of 30 Staters at a meeting last week at the Rogue Valley Country club. Lee Dressler was elected vice president, and Gene Winters, secretary. Dr. Richard Fredricks is retiring president.

Spec Keene, OSC director of athletics, installed the officers. Paul Valenti, assistant basketball coach, spoke concerning the coming year's basketball prospects, and Robert Knoll, alumni director, also talked to the group.

All OSC alumni are invited to the April 27 meeting, which will be held at Kim's at 7 p.m. Reservations may be made by contacting any of the new officers, Hanel reported.

Grange Notes

Upper Applegate Grange
The Upper Applegate Grange met in their hall April 8. All officers present except Overseer and Chaplain, promoted by Mr. and Mrs. George Redhead, respectively.

Six candidates were elected to receive the degrees. The first and second degrees will be conferred at Williams Grange Friday, April 15 by the Phoenix degree team. On April 29, Roxy Ann's degree team will confer the third and fourth degrees to all candidates, also at Williams Grange.

The agricultural chairman, reported on the prices of cattle, sheep, hogs and pencil manufacturing.

The quarterly reports of the secretary and home economics chairman were read and accepted.

The use of the hall was granted to the Home Extension Unit for their festival May 6.

There will be a dance in the hall April 23.

Our next meeting will be an open meeting. All county candidates plan to attend and possibly a few state and national candidates. Everyone is invited to come and meet the candidates. Ladies of the Grange are asked to take a dozen cup cakes.

Ballots were cast for state Grange officers. Mr. and Mrs. Bert Harr were escorted to the master's station to receive a silver certificate for 25 years continuous membership in the Grange.

Permission was granted to all members of the McKee families for a pot luck dinner Easter Sunday.

Mrs. Curt Gerhardt met with the Red Cross board of directors and conveyed their thanks for the use of the hall and for the program given there by all organizations of the Applegate valley. A poem entitled "The Red Cross," written by Mrs. Leon Offenbacher was sent to the regional hall in Washington, D.C. Mrs. Gerhardt read the poem at the program.

The lecture hour, under the direction of Mrs. Glenn Saltmarsh, commenced with a poem and all members participating in its commands. Mrs. Bert Harr gave a reading called "Income Tax." The program was concluded with group singing.

Omar Culy instructed our new members in balloting. A Mothers Day dinner is planned for May 8.

Lake Creek Grange

Jay Elliott, commercial department, Copco, was a guest at the April meeting. He showed the film, "Rescue Breathing." The film provided information for the proper method of mouth breathing for an unconscious person from drowning, bodily injury and effects of electricity. The method gets air into the lungs quickly. Elliott was accompanied by his son.

Ronald Olson was given the degrees by Master Gilkey.

Faye George, educational committee, reported on an article entitled "Plant Virus." The article stated that plants have disease symptoms the same as humans. Several varieties of garden flowers should not be planted near vegetables; such as not planting dahlias near tomatoes; and gladiolus near beans and cucumbers. Mrs. George gave a reading "Jacob Straus."

The quarterly report was read by the secretary.

Voting was held on the final election for officers of Oregon State Grange.

Mr. and Mrs. Carl Riblett were welcomed back. They went to California several months ago for a vacation. Riblett was operated on while there, but is improved in health.
