

BIG BUSINESS
Cincinnati—Potato chips will be a billion-dollar-a-year industry in another decade, according to an official of the Olin Mathieson Chemical Corp. Noting that the industry's yearly sales volume is now \$500 million, George R. Johnson said sales will increase by \$50 million in 1960 alone.

Boy Scouts

Troop 38
Several members of Hornbrook Boy Scout Troop 38 held a camp-out recently. Their camp site was at Bogus. Scouts attending, accompanied by Scoutmaster Ronald Rhodes were Darrell Jones, Steve Farmer, Dale Farmer, George Chadwick, Doug Bennett, Mike Turnbow, Guy Sanders, Danny Thompson, Bobby Hutchins, and Randy Peters.

Troop 48
The Greenbar of Boy Scout Troop 48 held a work campout last week end at the site of the new camp. Cleaning up, clearing out poison oak, planning the camp layout, and opening of the camp was started by the boys who camped out from Friday evening until Sunday afternoon.

This will be a work camp on Marshall hill about 2½ miles from their residence off Brownsboro rd. The location of the campsite offers proper facilities for the boys to gain required experience in signaling, hiking, outdoor craftsmanship, tracking, and cooking without having to travel several miles away.

This will enable the parents of the boys to drive to the campsite in the evenings as soon as weather permits. Scoutmaster Lester Y. Marshall said the invitation would be open at all times the boys are in camp.

Plans have been made for the entire Scout Troop to camp out the week end of April 22, 23 and 24, weather permitting, where the boys are expected to build their tower along with some of the clean-up work. All poison oak precautions should be taken until the camp site is cleaned.

Boys attending the outing were Senior Patrol leader Steven Cook, Patrol Leaders Terry Nelson, Arthur Harrison, and Donald Hanscom; Assistant Patrol Leaders Tony Spears and Larry Harris; Scribe Bob Corliss and Librarian Victor Wooden. Scoutmaster Marshall and Assistant Scoutmaster Alexander J. Fidura accompanied the boys.

Boys attending said they named the camp site "Field Mouse Camp."

Scoutmaster Marshall stated that the boys have plans made to sell covers for the new telephone booklets now being distributed. These covers should be available soon.
