

## Crater Lake Post, VFW, Elects New Officers for Year

Victor David has been elected commander of Crater Lake post 1833, Veterans of Foreign Wars, for the coming year.

Other officers elected at the post's recent annual meeting were William H. Harper, senior vice commander; Jake H. Farriher, junior vice commander; Louis Kula, post quartermaster; Ira D. Canfield, chaplain; Ivan J. Lusk, surgeon; H. C. Sutherland, judge advocate; and Pat Doyle, trustee.

Ray Lawless was appointed officer of the day; Ed Smith, adjutant; Lusk, guard; and Bennie Westgate, post service officer.

**Installation Held**  
Installation of officers was held Tuesday night. Canfield, a past Oregon department commander, was installing commander and Harry Birch, also a past department commander, served as aide de camp.

The new post commander is a 17-year member of the VFW; a 21-year member of the Elks club; and a 13-year member of the Eagles lodge.

He is president of the veterans allied council of Jackson county, a life-member of the National Rifle association and a member of the civil air patrol. He is a Navy veteran.

The new commander's program is to "help the veteran help himself, and to help rid our country and the world of communism."

### Fagone Participating In Yakima Exercise

Capt. Sebastian J. Fagone, of headquarters company, 6337th U.S. Army reserves, is taking part in this week's Army exercise "Elk Horn" at the Yakima, Wash., firing center.

The exercise, directed by the Army, involves nearly 18,000 troops, most of which will come from the 4th infantry division at Yakima.

Captain Fagone was ordered to headquarters exercise director from Sunday, April 17, to May 28. The exercise, which includes tactical play "war" maneuvers, is part of a "vigorous training program scheduled for the 4th division this year," it was reported.

### Thief Uses Fishing Technique for Loot

Chicago—Police tell the one about the burglar who fished for mink.

One night, they said, a burglar went to an exclusive fur shop armed with a toy pistol that shoots darts with suction cup tips. He had fish hooks on the darts instead of cups.

He aimed through a package drop, police said, fired one of the darts into a stole on a manikin, then used a line to pull the garment out.

How they figure it out? One hook-equipped dart—apparently a near miss—was found hooked in the manikin's dress.

### Quotas Available In Navy Trade Schools

Many quotas are available in Navy trade schools during April, the Navy recruiting station in Medford announced today.

"In order to balance the output of our schools, we are seeking high school graduates to fill existing quotas before the influx of this year's graduates," Recruiter Murray J. Emmerich explained.

Available programs include schools for electronics technician, nuclear field, medical corps and airman.

### Juror Excused; Too Many Problems

Canton, O.—When a prospective juror wanted to be excused from duty in Common Pleas Court, the judge wanted to know why.

"Your honor, I have five children, all under six, my wife is sick and our cat is about to drop a little," he told the judge.

"... You're excused!"
