Tussle Stopped By Snowstorm

Lincoln tripped Howard 7 to 4 yesterday in an American league grade school baseball game.

The game was called in the fourth inning because of snow. Lincoln had scored four more runs in the top of the fourth but the score reverted to the count at the end of three full cantos. The Lincolnians obtained all seven of the runs that went into the record on five errors, two hits, a base on balls and a hit batter in the third frame.

Chisox Up To Old Tricks, Nudge KC By 1-Run Margin

By FRED DOWN
United Press International

The Chicago White Sox are up to their old tricks.

Victors in 35 one-run games en route to the 1959 pennant, the White Sox are defending their championship the same way they won it – by winning the close ones. And if that's the mark of a champion then their seven AL rivals are in for a long, hard summer.

The White Sox made it two straight one-run victories in the new season Thursday when Ted Kluszewski's run-scoring single pulled out a 6-5 11-inning win over the Kansas City Athletics.

Nelson Fox, the AL's most valuable player in '59, led the White Sox' comeback from a 4-0 first-inning deficit with three singles and a double in four official trips. Fox doubled and scored the run that tied the score at 4-4 in the fourth inning, delivered a sacrifice fly that tied it again, at 5-5, in the sixth and then singled to set up the winning run in the 11th.

Fox, batting .500 after two games, led off the 11th with a single and moved to second when Minnie Minoso walked. Kluszewski then delivered a line single down the right field line to chase in Nellie with the decisive tally.

Staley The Winner

Gerry Staley, who shut out the Athletics with one hit over the last five innings, received credit for his first win. Bob Shaw, an 18-game winner last season, started for the Sox but was bombed for four runs and eight hits in 3 2-3 innings. Relief pitcher Ken Johnson was Kansas City's loser.

The New York Yankees downed the Boston Red Sox, 4-0, and the Washington Senators nipped the Baltimore Orioles, 6-5, in the other American league games while the Milwaukee Braves tripped the Cincinnati Reds, 2-0, and the Pittsburgh Pirates ripped the Philadelphia Phillies, 11-5, in the only National league activity.

Rookie Johnny Gabler pitched three-hit ball for seven innings and fireball relief specialist Ryne Duren finished up for the Yankees, who won their opening series, two games to one. Bill Skowron and Gil McDougald homered and Roger Maris had two hits for the Yankees. Ted Williams was out of the Red Sox' lineup for the second straight game.

Rookie's Homer Wins

Rookie Dan Debbek's three-run homer with two out in the ninth gave the Senators their third win in four games and provided Chuck Stobbs with his first victory of the season. Debbek's blow came off Jack Fisher after walks to Lenny Green and Harmon Killebrew. Gene Woodling homered for the Orioles.

Carlton Willey, one of the "younger" pitchers Manager Charlie Dressen promised to give a chance this season, pitched a four-hitter for the Braves, striking out 10 batters and walking only three. Hank Aaron singled home the Braves' first run in the seventh inning and Mel Roach's sacrifice fly added the other. Jim O'Toole was the loser for Cincinnati.

Hal Smith, Bob Skinner and Fred Green hit homers as the Pirates rapped out 15 hits at the expense of four Philadelphia pitchers. Roberto Clemente and Dick Stuart had three hits each for the Pirates and Jim Coker homered for the Phillies.

1,650-Mile Foot Race Projected

Cottage Grove – Five experienced runners will be brought together at Tijuana, Mexico on June 26 to begin one of the most unique long distance foot races in Pacific Coast sports history.

According to Al Martin, president of the newly established Oregon sports corporation, International Marathons, the runners, one each from the states of California, Oregon and Washington, with one each from Mexico and Canada to complete the team, will run along the California Coast as far as Crescent City, and then turn inland to follow Highway 99 into Canada. The entire distance for the run is over 1,650 miles.

Martin reported that, "we don't think anyone has yet attempted to establish any kind of performance records over this rugged coastal and mountain route, and it should be tried soon." As additional motives for the run Martin cited efforts to stimulate public interest in Pacific Coast sports, and provide a basis for specialized programs of physiological research on athletes.

Endurance Record

The high point of the entire run will be an attempt by the five runner team to break the existing non-stop endurance record of 127 miles in 22 hours, 45 minutes made in 1929. The 1960 run will begin at the outskirts of Seattle, Wash., and cover a course of 133 miles to Vancouver, B.C., with an assualt upon the time record a primary goal of the runners.

To emulate the ancient tradition of the early Greek couriers, and attempt still another feat never before accomplished, the runners will carry a limited number of pieces of philatelic mail over the route in pre-determined schedules of approximately 38 pickups, for an average carry of 40 miles per day. The entire event takes 39 days to complete.

The run is presently scheduled to begin at Tijuana on June 27, and will be completed upon arrival in Vancouver on August 12. The organization is now completing nearly three months of preliminary planning and is currently seeking interested sponsors for their event.

Portland Winner; Tacomans At Last Get Weather Break

By PETE COLEMAN
United Press International

Tacoma finally overcame the weatherman last night and got back into Pacific Coast league action after a four-day absence.

The best the Giants could do was halve a double header with Vancouver, winning the opener, 6-2, and losing the nightcap, 3-4, but they probably were delirious with joy just for the chance to play. Rain had kept them on the sidelines Sunday through Wednesday.

Elsewhere Thursday night, Portland got another home run from heavy hitting George Freese while downing Sacramento, 5-2. Salt Lake rang the bell five times in the eighth to come from behind and dump Seattle, 9-7, and San Diego used a six-run, sixth-inning splurge to sink Spokane, 7-4.

Tacoma's Curt Barclay fashioned a neat three-hitter as the Giants took the opener. He had trouble only in the sixth inning when the Mounties scored both their runs.

Early Wrap Up

The Giants wrapped it up early with a five - run first frame rally highlighted by doubles off the bats of Danny O'Connell and Matty Alou.

Vancouver took the second game with two tallies in the top of the ninth on singles by Joe Staniland and Charlie White, an error, a walk and a sacrifice fly. Bobby Balcena hit a bases empty homer for the Mounties in the first inning.

Phil Paine, the third of four Vancouver pitchers, hurled two scoreless innings to take his first win of the season.

San Diego, gaining an even split in the four game series, came up with hits when they were needed to keep the sixth inning rally alive. Grover Jones tripled in two of six runs and Camilo Carreon, a pinch hitter, accounted for two more with a single.

Spokane got one run in the first inning when Charlie Smith doubled behind Earl Robinson's walk and two in the third on two free passes, two singles and a sacrifice fly. Frank Howard homered in the ninth for the final Indian tally.

All The Way

Portland, with Freese hitting his fifth homer of the season with Bill Causion aboard in the first inning, led the Solons all the way.

The Beavers added one run in the fifth inning, and after Sacramento plated two in the sixth, got a pair in the seventh on two walks, a sacrifice and an infield pinch hit.

Winning pitcher Lynn Lovenguth, notching his second victory, gave up eight hits but had trouble only in the sixth.

Salt Lake, down for seven and a half innings, came to life in the last of the eighth to stage the big rally. Four singles, a double by Harry Bright, a pair of walks and a Seattle error made up the outburst that got the Bees their second win of the season.

Jim Baumer hit a solo homer for Salt Lake in the third frame, but R. C. Stevens was the batting hero with two singles, a double and three runs scored. Gordy Coleman wielded the big stick for Seattle, getting three safeties, including a double and a triple.

Saperstein Organizes New Loop

By GENE BLUDEAU

Chicago – UPI – Abe Saperstein said today his new American Basketball league will bring the game back to the litle guy.

"Our rules will be a lot different than the National Basketball association's where it is a game of towering giants and towering scores," Saperstein said.

"We will devise rules to return defense to basketball and make it a game for the little guy as well the the big guy," he said.

Saperstein, millionaire owner of the Harlem Globe Trotters, announced the birth of the six-city ABL after a closed meeting Thursday. Saperstein was named acting president and part owner of the San Francisco franchise.

Franchises

Franchises were awarded to San Francisco, Chicago, Los Angeles, Kansas City, Washington, D.C., and Cleveland. They will organize teams for the league's start this fall, he said.

Four other cities — Pittsburgh, Vancouver, Portland, Ore., and Honolulu, Hawaii—also applied for franchises and will probably be admitted for the 1961-62 season, Saperstein said.

He said players will be distributed from a league pool consisting of college cage stars and possibly some from the National Industrial Basketball league.

Doug Vaillant, Matthews Vie

Miami Beach – UPI – Fourth-ranked lightweight Len Matthews and Cuban lightweight champ Douglas Vaillant meet tonight in a 10-round fight which matches two rising and talented youngsters.

The bout will be telecast nationally starting at 7 p.m. (P.S.T.).

Vaillant, a 22-year-old native of Santiago, Cuba, is unranked but striving to duplicate the success of his half-brother, Luis Rodriguez. Rodriguez is the world's top-ranked welterweight.

Johansson, Patterson Signed Up

By CONNIE RYAN

New York – UPI – Ingemar Johansson flew back to Europe Thursday night after signing for the fight Floyd Patterson feared he would not get.

Johansson, who won the world heavyweight title from Patterson last June 26, signed to give Floyd a chance to become the first man ever to regain that title. The bout, which may draw a million dollars at the gate alone, will be held on Monday June 20 at the Polo Grounds.

"It's a great relief to me to have signed," Floyd said. "I was worried I would not get the fight. I thought maybe the International Boxing Club would put Archie Moore in there with Johansson."

He need not have worried. Ingo had insisted for nine months he would fight no one before Floyd, and in no place but New York, and he meant it.

"It took a lot of time to arrange this fight and to be sure of the contracts and the terms, but now it is done and I am satisfied," said Johansson before he took off on a flight to Paris. He was en-route to Geneva, Switzerland, where he maintains a home and where he has been in moderately heavy training.

With final approval by the New York State Athletic commission and the subsequent formal signing, the new promotional group, Feature Sports Inc., plunged full speed ahead today. It ordered the printing of tickets, which will sell for $10 to $100, and said its press headquarters will open next Monday in the Commodore hotel.

Fishermen Ready for Big Assault

Portland – UPI – Thousands of Oregon trout fishermen readied today for an assault on open streams and lakes Saturday and the weatherman indicated it would be cool, but fair.

Sunny skies were forecast for most of the state but nighttime temperatures again will be low and chances are that it'll be below freezing in many spots when anglers start their quest for trout at daybreak.

Inland rivers and streams, many interior lakes, and all coastal lakes open Saturday. High mountain lakes don't open until May 21 with Coast streams opening May 28. Umpqua and Willamette river drainages and streams in the Rogue basin also don't open until May 28.

Albany – New York has the oldest unbroken state forest administration in the U. S. It was founded in about 1885.

Rotary Track Meet At GP on Saturday

Medford high may have around 45 participants and Crater may send as many as 40 Saturday when the two schools contend in the four-way Rotary club track and field meet at Grants Pass.

Grants Pass high and Roseburg will enter the other teams.

First of the field events is set for 1:30 p.m. with races to open with the 2 p.m. hurdles. The meet will have a novice, as well as championship, division to enable more boys to compete.

Cold weather has hampered the training this week of all four schools. Medford mentor Dean Benson reported that his squad has been troubled by a rash of shin splints and a couple of athletes have been sisk off and on during the week. Other than that, Benson reported, the Black Tornado is in pretty good shape.

Sickess may cut the Crater entry well below the hoped for 40. Coach Ed Knapp reported a seige of sore throats and flu. He said he would not know until this afternoon just how large his traveling squad will be.

Grants Pass has won the meet for the past two years. Medford was winner the last time in 1957. It will be the frist Tornado competition of the season on a strictly individual basis.

Eight Football Games Slated At Multnomah

Portland – Multnomah Stadium hopes its turnstiles will click more than 200,000 times for the eight football games it has slated this year, it was announced today by Manager Harry Glickman in releasing the 1960 schedule.

"This is one of the most attractive schedule of games put together for Portland and should easily average more than 25,000 fans a game," Glickman ventured.

Arranging the schedule was his last official duty as manager of the stadium, for he leaves May 1 to become general manager of the Portland Hockey club, which enters the Western Hockey league next season upon the completion of the Memorial Coliseum.

The football season starts with the 13th annual Shrine hospital all-star game Aug. 13 and follows with a professional encounter Sept. 3 between the Cleveland Browns and San Francisco 49ers.

There will be four major college games, two each with Oregon and Oregon State, plus the annual "little civil war" game between the OSC Rooks and Oregon Frosh.

The final game will be the state prep championship.

The complete schedule is as follows:

Saturday, Aug. 13—13th Annual Shrine Hospital All Star game 8 p.m.; Saturday, Sept. 3—San Francisco 49ers vs. Cleveland Browns 8:30 p.m.; Saturday, Oct. 1—Oregon State vs. Houston 8 p.m.; Saturday, Oct. 22—Oregon State vs. Washington 1:30 p.m.; Thursday, Oct. 27—OSC Rooks vs. Oregon Frosh 8 p.m.; Saturday, Nov. 5—Oregon vs. Stanford, 1:30 p.m.; Saturday, Nov. 12—Oregon vs. West Virginia 1:30 p.m.; Friday, Nov. 25—State A-1 Prep championship 8 p.m.

Lone Starter Returns at OSC

Corvallis —UPI— Only one starter from last year's Oregon State football team will be on hand to greet Coach Tommy Prothro when the Beavers open spring grid practice Saturday.

Speedy wingback Art Gilmore is the lone first stringer who will be present for the spring workouts as Prothro begins his sixth season as head mentor at Oregon State.

Gilmore alternated with Ron Miller before undergoing knee surgery last year.

Roseburg To Play in RV League

Roseburg, out of southern Oregon semi-pro baseball for several years, will return for the 1960 season, it has been announced. The team, to be comprised mostly of former American Legion junion players, will be managed by Mickey Coen, former coast league pitcher.

Coen holds the Rogue Valley league strikeout record, set last year when he pitched for Riddle. He also led the league in the most victories.

Other teams making up the circuit are Crescent City, Calif., Grants Pass, Ashland and Medford Bowling lanes. An effort will be made to obtain a sixth team to round out the schedule, it was stated.

League play starts on May 29.

Burelson, Cunliffe Eugene Race Rivals

Eugene –UPI– One of the nation's top mile races is in prospect Saturday between Dyrol Burleson of Oregon and Ernie Cunliffe of Stanford, if the weather man cooperates.

Burleson, a lanky lad from Cottage Grove, Ore., is ranked as America's top 1,500-meter hopeful for the Olympic games.

Cunliffe, a stocky 880-man who started running the mile to build up his endurance, has proved the surprise of the distance world this spring. His 4:02.3 mile is the best in the country so far this year.

Their race highlights the Oregon-Stanford dual track meet here.

Bill Bowerman, the Oregon coach, says a four-minute mile isn't beyond the range of possibility. "A lot depends on the conditions."

The weather man has forecast fair skies for Saturday.

Last Effort Poor

Burleson's last effort, against Washington, was poor as far as time goes, a little over 4:16. But the 20-year-old sophomore doesn't run for speed, he runs to win. And win, he has, in all but two of his mile races. Teammate Jim Grelle edged him here last year but Burley came back to more than even that score. And Jim Beatty nipped him at the tape in the Baxter mile in New York last winter.

Cunliffe, a 5-11, 165-pounder from Claremount, Calif., ended last season as the country's best collegiate half miler. In international competition, top runners managed to catch him in the stretch. So this year Coach Payton Jordan picked the mile for a place for Cunliffe to build up his strength.

It worked.

Cunliffe chopped some time off his best 880 mark with a 1:47.3, and in the process bettered his previous mile time by nine seconds.

Cunliffe likes to get in front and stay there, fighting off challengers at the finish.

Burleson stays off the pace and uses a tremendous finishing kick in the final 330 yards to win.

FOUR PROS KNOT

New Orleans – UPI – The scramble for first place resumed today in the $27,000 Greater New Orleans Open after four pros deadlocked with five-under-par 67s over the first 18 holes. J. C. Goosie of Knoxville, Tenn., Jackson Bradley of Houston, Tex., Lionel Hebert of Lafayette, La., and Houston LaClair of Birmingham, Ala., all shot opening round 67s.
