Giants Crush Cubs 18-2 To Keep National League Lead

By United Press International

The San Francisco Giants maintained the National League lead Saturday when they crushed the Chicago Cubs, 18-2, with an 18-hit attack that included home runs by Orlando Cepeda, Bob Schmidt and Willey McCovey.

The three homers made a total of eight by the Giants in the last two games and kept them a half game ahead of the second-place Pirates, who defeated the Braves, 5-4.

McCovey and Cepeda each batted in four runs while Schmidt knocked in three. Willie Kirkland had four hits and Mays three. Jack Sanford limited the Cubs to five hits for his first victory of the season. Cub starter Dick Drott was rapped for seven runs in four innings and suffered his second defeat.

Burdette Beaten

The Pirates defeated an old tormentor, Lew Burdette, in downing the Braves. Shortstop Johnny Logan's second error of the game set up the winning run in the seventh. Don Hoak was safe on the miscue, moved up on an intentional pass to Bob Skinner and came home on Dick Stuart's single.

Joe Gibbon, Pittsburgh's third pitcher, was the winner when he blanked the Braves over the last three innings. Eddie Mathews hit his third homer for the Braves in the fourth.

The St. Louis Cardinals came from behind to defeat the Los Angeles Dodgers, 9-5. Ken Boyer hit his third and fourth homers of the season to pace the Cards' 12-hit attack, and Daryl Spencer chipped in with three hits, including his second homer of the year.

Sherry Loser

Los Angeles built a 4-0 lead but the Cardinals came back with two runs in the second inning and clinched the game with four runs in the sixth. Bob Dilliba was the winner and Larry Sherry the loser in relief of starter Danny McDevitt.

Rookie Jim Coker's 13th inning double scored Pancho Herrera and earned the Philadelphia Phillies a 3-2 victory over the Cincinnati Reds. Coker, whose seventh inning single tied the score at 2-2, delivered his game-winning off-losers Bill Henry with two out.

Cal McLish started for Cincinnati and led 2-1 until the seventh. The winner was Dick Farrell, who relieved starter John Buzhardt in the 11th and pitched hitless ball the rest of the way.

ABC Tourney Lull Is Broken

Toledo, Ohio—UP—Two keggers from the Windy City Friday broke up the scoring lull in the American Bowling Congress tournament which is going in to its seventh week of action.

John Cimmarusti and Ed Kuk, both of Chicago, rolled into fourth place in the doubles division Friday with a 1299 total to record the first major standing change since April 12 when Darrell Duca and James Dovas of Toledo rolled a 1294 tie for fourth in the division.

Glen Bates of Dearborn, Mich., led the singles rolling Friday with a 694 series, good for eighth place.

In the open team division, led by the A & A Asphalt team of Birmingham, Mich., with a 3096 total, there hasn't been a change in the standings since April 10 when two teams rolled into 7th and 9th places.

Detroit Posts 6-2 Win To Remain Undefeated

By United Press International

Rocky Colavito smacked his third home run in as many games and Steve Bilko his second of the season Saturday to keep the undefeated Detroit Tigers atop the American league with a 6-2 victory over the Chicago White Sox.

Bilko connected in the fourth inning off loser Billy Pierce following a single by Colavito, and Colavito followed with a three-run smash in the fifth off reliever Ray Moore.

Shortstop Chico Fernandez contributed a double and two singles to Detroit's eight-hit attack. Frank Lary struck out seven and yielded only four hits, including a homer by Minnie Minoso, while pitching the Tigers to their fourth straight triumph.

Yankees Win

The Yankees stayed right on the Tigers heels by beating the Baltimore Orioles, 3-2, behind the combined five-hit pitching of rookie Bill Short and Rymie Duren. Short gave up all the Orioles' hits during the 6-1/3 innings he worked, but he was credited with the victory when Duren stopped Baltimore the rest of the way.

Hector Lopez drove in the decisive run of the game in the fifth when he singled home Tony Kubek. Rip Coleman started for the Orioles and was charged with the loss.

Frank Malzone and Bobby Thompson each belted two-run homers in Boston's 8-3 triumph over Washington. Camilo Pascual, who struck out 13 Boston batters on opening day, lasted only five innings this time out and was charged with five runs during that time. Mike Fornieles succeeded starter Tom Brewer in the fifth and was the winner although he was relieved by Ted Bowfield in the seventh.

Cleveland Losses Again

The Kansas City Athletics handed the Cleveland Indians their fourth straight defeat, 6-5, when Hank Bauer drove in the winning run with a ninth inning single.

Barry Lattman, making his first start for Cleveland since being obtained in a trade for Herb Score, appeared on his way to victory but homers by Harry Chitt and rookie Ken Hamlin tied the score at 5-5 in the sixth. Bob Grim, Cleveland's third pitcher, was the loser.

Rookie Walt Bond drove in three runs for Cleveland with a homer and a single.

TO TELECAST FOOTBALL

New York—UP—The American Broadcasting Co. has reached an agreement that will add the American Football league to its week-end sports telecasting. The ABC announced Friday that it will televise up to 17 Sunday games of the new pro football loop for a sum of \$125,000 each. The deal, however, depends on the ABC's success in lining up 60 per cent of the network time to sponsor by May 15.

Tiger Boss Cautioned

By FRED DOWN

United Press International Jimmy Dykes, who once pinned the label on Joe McCarthy, had better watch out or they'll be calling him the American league's "push button manager."

Dykes started one of the league's greatest feuds 20 years ago when he charged that all McCarthy had to do as manager of the New York Yankees was sit back in the dugout and watch his team overwell the opposition.

Well, the description pretty much fits Dykes himself these days as the Detroit Tigers have the most explosive attack since the days of Hank Greenberg and Rudy York. Their long-range attack Friday carried them to a 6-5 victory over the AL champion Chicago White Sox.

Lou Berberet's ninth-inning single drove in the decisive run but once again it was the Tigers' home-run power that was impressive. For the third straight game, the Tigers hit three homers. Rocky Colavito belted No. 2 and Eddie Yost and Steve Bilko also connected. Colavito whose homer wiped out an early 1-0 White Sox' lead, also singled in the ninth to help set the stage for Berberet's winning blow.

Agency Merger Is Opposed

Portland—UP—Sports and commercial fishermen lined up Friday in opposition to a proposed merger of the state fish and game commissions.

Witnesses who appeared before the legislative interim committee on natural resources headed by Sen. Andrew Naterlin of Newport, were united in their opposition to the merger.

Sen. Naterlin said his committee would submit its recommendations to the governor's fiscal committee by Oct. 15. The matter will be determined by the 1961 legislature.

TIGER'S NARLESKI DISABLED

Detroit—UP—Pitcher Ray Narleski, suffering from a ruptured disc, has been placed on the 30-day disabled list by the Detroit Tigers. Club President Bill De Witt said Narleski will be out of action for "six to eight weeks." The righthander had been counted on this year to ease the bullpen problem.

PIL TRACK ACTION

Portland—UP—Grant High school swamped Wilson, 93-28 in the third round of dual track meets in the Portland Interscholastic league. In other PIL meets, Jefferson walked off Benson, 88-23; Cleveland defeated Madison, 74-48; Roosevelt won from Franklin, 66-56; and Lincoln and Washington battled to a 61-61 tie.

Riots Instigated, Official Claims

Portland—UP—The South Korean consul general for the western United States said here Friday night that the current series of riots in South Korea were instigated to discredit the Syngman Rhee regime.

Consul general Young Han Chee who represents South Korea in 16 U. S. states, said that election results in his country are always disrupted and that actually the March 15 Korean elections "were the smoothest we ever had."

Chee said the lapse of time between elections and last week's new outburst of rioting proved to him that the riots were instigated.
