Jerry Iverson established a Hedrick mark of 10 feet 6 inches in the pole vault and also won the discus. The old vault standard was 10-4 1/2. Kinney threw the javelin 159-8 1/2 to bust the former mark of 157-1.

Younger Whiffs 21 In Raider Victory

Ashland - Southpaw John Younger struck out a phenomenal 21 batters in paving the way for Southern Oregon Tech to trounce Oregon College 16-1 in an Oregon Collegiate conference baseball game here yesterday.

Younger, who now sports a 3-1 season record, fanned only one batter in the first inning but came back to retire the side in the second, fourth, fifth, sixth, and eighth on strikeouts.

It was a new record for Southern Oregon and officials at SOC are claiming a collegiate record for the state.

The SOC lefty gave up only two hits with the big blow being a home run by Tech's Virgil Winters. The other was a double by Lee Simmons.

Gets Free Passes
Not only did Younger have a near perfect day on the mound, but he was walked five consecutive times.

SOC busted loose in the first inning with a pair of runs when Jim Dietz and Eldon Francis drew walks and moved to second and third on a ground ball by Bob Jones. Phil Sword singled to score the two runners and give the Raiders a 2-0 lead which held until they added four more in the third stanza.

Jones led off the third with a double and Sword walked before Jess Munyon singled Jones home. Kerm McLemore singled Sword home. Munyon moved to third and McLemore took second on the throw to the plate.

Jack Brown walked to fill the bases when Simmons replaced Max McKibbin on the mound. McKibbin in going almost three innings suffered the hurting loss.

SOC tried the suicide squeeze but Munyon was tagged out at the plate. In an effort to double up McLemore at third, the ball sailed down the left field line to let in another run and Brown ended on third.

On the first pitch to Chuck Nevi, Brown stole home to make the score 6-0.

Nevi drove in another run and scored in the fifth after Brown had singled and stolen second. After Nevi had singled in Brown, he took second on the throw to the plate. A wild pitch and Jim Dietz's sacrifice fly scored Nevi.

Two In Sixth
Younger kept setting down the Owls and the Raiders kept adding runs with a pair more in the sixth. Sword and Brown walked with McLemore singling to load the bases. This set the stage for Nevi to lace another single and score Sword and McLemore.

Raider coach Ted Schopf had substituted most of his reserves but this did not stop the Raider onslaught. Damien Rossetto, Jack Kopacz, and Willie Garner all walked to open the seventh before Joe Funderberg hit a sacrifice fly to score Rossetto. Bob Johnson then singled up the middle to score Kopacz and Garner crossed the plate when the center fielder bobbled the ball. Johnson took third on a passed ball and scored when Nevi got his third base hit and fourth run batted in for the afternoon.

SOC capped its scoring in the eighth when two errors, one on an overthrow to first and the dropped fly ball, put Mike Conley and John Cook on second and third. Garner then singled to drive in the two runs with a line drive down the third base line.

Nevi Stars
Thirteen of the 16 Raiders who saw action scored and Nevi was the top hitter of the day with a trio of base raps in five trips to the plate. The Raider second sacker also scored a run and drove in four more in addition to steal-

ing two bases.

Next action for the Raiders will be in Portland Friday and Saturday against Portland State in a three game series. The two teams will play a single game Friday and a twin bill Saturday.

Marty Vogler will probably start the Friday game with Don Vannice and Younger to throw the doubleheader.

C of C Endorses Oregon Stamps As State Promotion

The Medford Chamber of Commerce board of directors recently endorsed the Oregon Motor Courts association sale of scenic Oregon stamps as good state promotion, but noted that because of board policy the chamber could not actively engage in solicitations.

In connection with travel, Ron Gander, chairman of the chamber's tourist committee, reported that work was progressing on a four-color brochure which will be prepared jointly by the Josephine and Jackson counties chambers of commerce.

He also reported that committee members were working on a chamber display at the airport, and a traveling display on Medford and Jackson county for encouraging conventions here.

Discusses Services
Don McNeil, chamber manager, discussed the chamber's services to conventions, and the board authorized the convention committee to prepare a new roster for conventions meeting here.

Chet Hubbard, chairman of the highway committee, reported that the committee, which has long-range views, has been working for highway development for several years.

He reported that more funds have been allocated for the Medford-Klamath Falls highway this year. The committee, he said, is working toward early completion of the highway, possibly within the next two years.

He added that the committee also is working for improvement of the Coter Lake highway, and that the state legislative interim committee will meet in Medford May 23.
