Boy Scout Office To Move May 7

After 33 years in its present office, the Crater Lake Council, Boy Scouts of America, will move to 217 Leveette building, West Main and Grape sts., Medford. The move is planned Saturday, May 7.

The Boy Scout council moved to its present building at 500 East Main st. in 1927, which was about three years after its organization in October, 1924.

The council, which serves Jackson, Josephine and Siskiyou counties, has six employees, and crowded conditions in the present 690 square feet forced the move. The new offices will have 990 square feet.

At the time the Crater Lake Council moved into its office near the Bear creek bridge, there were about 350 Boy Scouts with one man employed as Scout executive. At the present time there are 4,300 boys in Scouting.

A target date of September, 1961, has been set for a new council service center to be built under the direction of an office committee headed by George C. Flanagan.

Repainting and building of shelves and counters in the new office space will be done April 30 and May 1 with the moving of office equipment and materials slated for the next Saturday. A request has been made for volunteers to help in completing the work by May 7.

Girl Gets Thoughtful Gift from Brother

Baltimore—Linda Johnson got a real eye-fend in the mail: four frog eyes.

They were sent as souvenirs from her brother, Roger, a student at MacMurray college in Jacksonville, Ill. He suggested that the eyes, dried and wired would make dandy earrings for his sister.
