WE REFUSE TO INSULT YOUR INTELLIGENCE...

Our policy has always been to offer the citizens of Medford good, reliable transportation at a fair price. This fair price demands that we realize a profit on each car we sell. For this reason we see no reason to insult your intelligence by telling you that we are selling cars away or selling them at a loss. We simply can't afford to do business that way. If it's a good car at a fair price that you want, then come in and see these cars today!
