Lake of Woods Resort Now Open

Lake of Woods resort is now open for business with cabins and boats available and the opening of the grocery store, according to Tom Neely, one of the resort operators.

Roads to the resort, as well as to the ranger station on the north end of the lake are open. However, the road is not open between Fish Lake and Lake of the Woods, Neely said. Reports indicate that the Dead Indian rd. to Ashland via the east side of the lake is open and homeowners can reach cabins by boat until the summer roads are cleared.

Personnel at the resort area will include Tom and Irene Neely, LeRoy Neely, Tex and Lou Mayhew, and Iven and Ida Hobbs.

A gift shop and post office will be ready for use this season, and the coffee shop will open May 14.

The talk and film this year are used to help minimize man caused fires in the county, Prentice said. Since April 1, the start of the official fire season in Oregon, the state fire patrol has been called out on six fires.

Washington-Tribune Vice President Richard M. Nixon says he is inclined to think Sen. John F. Kennedy (D-Mass.) will win Tuesday's West Virginia Democratic presidential primary.
