

Fancy with fruit...

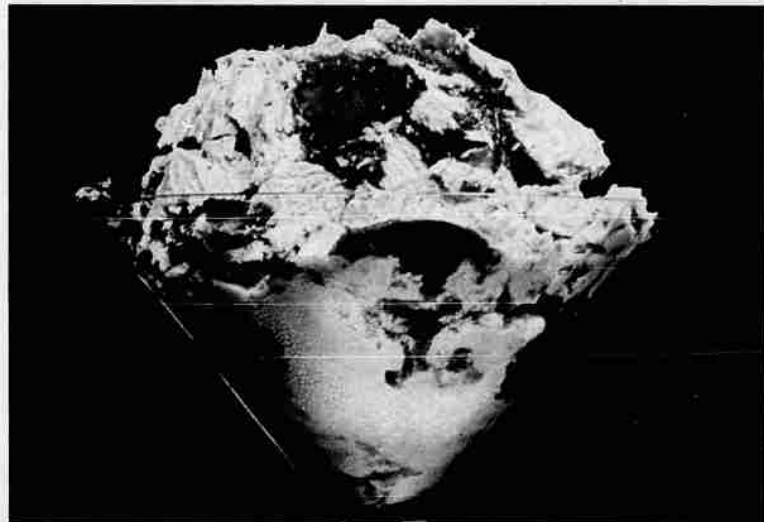

New Dream Whip comes in a box, stays fresh on your shelf. And so easy to mix — just add milk, vanilla, then whip. Won't wilt, won't separate, keeps for days in the refrigerator. Low in calories, low in cost, and you can use Dream Whip in even more ways than you can use the expensive topping.

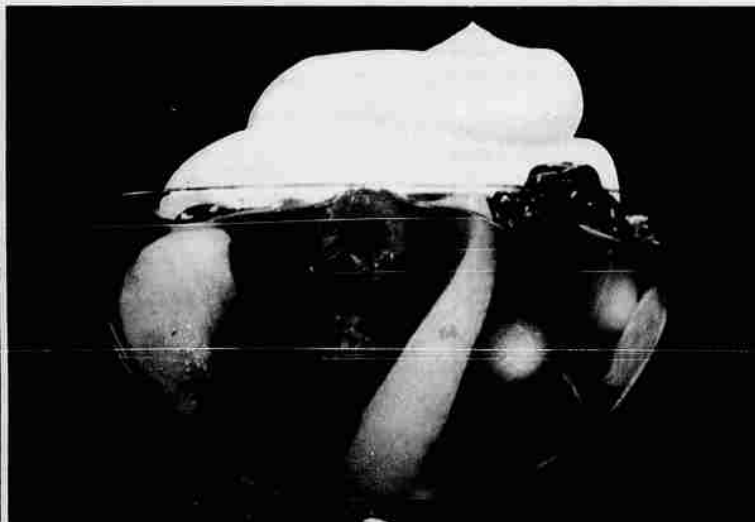

Just add milk, vanilla, then whip

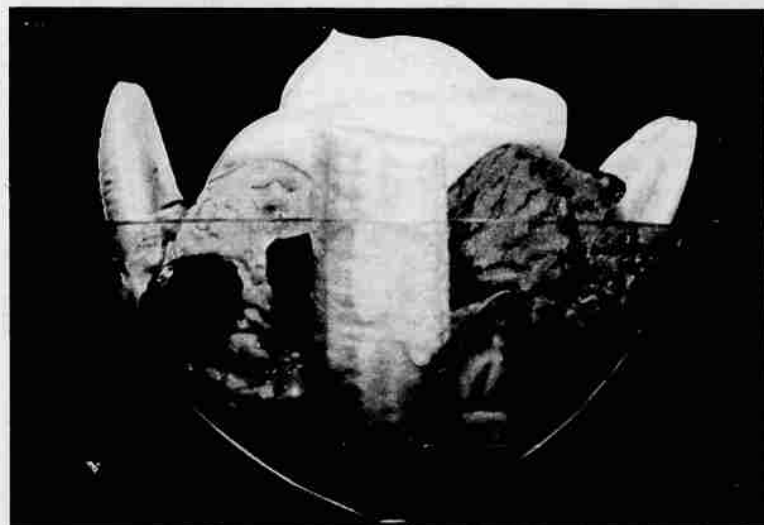

NEW DREAM WHIP

Strawberry Freeze—a cinch to make. Just fold fresh or frozen (thawed) strawberries into a bowl of prepared Dream Whip. Freeze in ice trays.

Fruit Cup smothered with Dream Whip. Any leftover Dream Whip? Probably not—but happily, it keeps for days in the refrigerator.

Dream Whip Banana Splits...wow! Keep several boxes of Dream Whip handy on the shelf for spur-of-the-moment treats like this.

Shortcake Delight—tempting and terrific. And made with heaps of luscious Dream Whip, a lot fewer calories.

Tested by General Foods Kitchens. Dream Whip is a trade-mark of General Foods Corp.
