Butte Falls - Prospect high completed an unbeaten Jackson County B league baseball campaign yesterday with a 10 to 2 triumph over Butte Falls here.

The game, originally set for May 13, had been rescheduled for today before being re-scheduled yesterday.

Seventeen errors wrecked any hope the Butte Falls team had of upsetting the Cougars, who already had wrapped up the county title. Stan Payne and Terry Gardner, on the hill, combined to hold the Loggers to two hits-by-Doug Fisher and Raymond Abbott. Gardner blasted three hits, himself, and Wallace Nye had two for Prospect.

Butte Falls will conclude its season by playing at Eagle Point on Wednesday.

## One Champion Left In ABC

Toledo, Ohio - (UPI)—Tommy Hennessy of St. Louis remained the only former champion in the American Bowling Congress masters tournament as he swept past two opponents Monday in winners bracket matches.

### ORCH WINNER IN SHOOTOFFS

Reno - (UPI)—Dan Orlich, Reno, outpointed all competition in special shootoffs to capture the top two awards Sunday in the Golden West Grand American trapshoot.

Orlich won the over-all trophy during a three-way shoot-off with Dick Johnston, Anchorage, Alaska, and Col. W. C. Everhart, Vancouver, Wash. Each tallied 861 points out of a possible 900 in regular competition.

Orlich also bagged the all-around competition title based on scores in 200 16-yard targets, 100 handicap shots and 50 pairs doubles. He and B. S. Jones, Santa Ana, Calif., each collected 392 points in regular action.

Jones won the handicap event, in another three-way shoot-off, with a 99 score.

Hortense Wood, Salt Lake City, won the women's crown with 97, and Wally Stone, Scottsdale, Ariz., was high junior victor with 95.

The Golden West Grand American, which began last Wednesday, is the richest trapshoot in the world with \$17,500 in prizes offered and more than \$4,000 in trophies. More than 500 were entered.

### INCIDENT ILL-TIMED, KNOWLAND DECLARES

Oakland, Calif. - (UPI)—William F. Knowland, former GOP leader in the Senate and now assistant publisher of the Oakland Tribune, said the spy plane incident on the eve of the summit conference was ill-timed.

"However, a diplomatic conference is no guarantee of peace or the protection of the free world from a potential aggressor," he said.

Knowland said that at the time of Pearl Harbor "we would have been far better off" if American planes had been over Japanese waters observing the Japanese fleet's movements - instead of depending "on the smiles of her diplomats" in Washington.

### HORSES FLY TO Preakness Run

Baltimore - (UPI)—Venetian Way and Bally Ache, who finished 1-2 in last Saturday's Kentucky Derby, are scheduled to arrive today at Pimlico, where they will renew their rivalry in the Preakness Stakes May 21.

The young colts will be aboard the same cargo plane that is due at nearby Friendship Airport this afternoon. They will then be vanned to Pimlico.

Venetian Way and Bally Ache are developing into steady flight companions. They also were shipped to Kentucky on the same plane last month after Bally Ache turned back his rival in the Florida Derby at Gulfstream Park.

### SEEKS SPEEDBOAT MARK

Minneapolis - (UPI)—Bandleader Guy Lombardo will try to set a new speedboat record at Pyramid Lake, north of Reno, Nev., between June 1 and June 15. Lombardo will pilot an aluminum jet-powered craft, "The Tempalco."

### OSC NETTERS FALL

Corvallis - (UPI)—Whitworth's tennis team defeated Oregon State 4-3 Monday.

## Trophies, Merchandise Prizes In Mail Tribune Trap Tourney

Trophies will go to winners and runners-up in four classes, to high lady and to high junior in the Rogue Valley hundred and Tribune trophy contests, 161-yard events, in the 27th annual Mail Tribune Trapshooting tourney on Saturday and Sunday, May 14 and 15, at Medford Gun club.

Subjunior and veteran trophies will be offered in the Sunday 16-yard shooting and the Mendenhall trophy will go to top gun for Class B and lower.

Merchandise prizes are being offered in the Chester Wood handicap on Saturday and the Jim Morris Memorial handicap on Sunday. Trophies go to the winners and runners-up in two classes in the 25 pair of doubles shooting on Sunday afternoon.

The shoot in Pacific Trapshooting association registered except for the 60 backer-up targets to be shot under the lights on Saturday evening.

Nelson Reed, Klamath Falls, won the Mail Tribune trophy with a 99 last year and Harold Woolley, Drain, took the Mendenhall award.

### SEES LITTLE EFFECT

St. Louis, Mo. - (UPI)—Netherlands Ambassador Jan Herman van Roijen said Monday the shooting down of an American plane over Russia was a well-timed propaganda move but probably will have little effect on the summit conference. Van Roijen said the Russians "have created something spectacular" each time there has been an important East-West conference, "whether it be a Sputnik, lunik or a grievance such as this."

### POST LINK WIN

Portland - (UPI)—University of Portland defeated Willamette 12½ to 5½ in golf Monday. Rusty Beaton of Willamette had the low score with a 74.

### MIDWEST PLAGUED BY RAIN AND COLD

Damp, cold weather hung over the Midwest like a blanket today.

Freezing rain, drizzle and temperatures in the 30s were common from eastern Minnesota to western Pennsylvania and south to Kentucky. Even some snow was mixed with the rain from upper Michigan to Indiana.

Light rain and drizzle also dampened the Northeast, a thunderstorm dumped a half-inch of rain on Meridian, Miss., and showers fell on Amarillo, Tex.

Usually cool weather for May chilled the Northeast while in Utah, Arizona and New Mexico looked for uncommonly hot weather.

Low temperatures of 58 at Miami, Fla., and 37 at Nashville, Tenn., were set Monday. Previous low May 9 readings were 60 and 40.4 at the southern cities.

### AMA President Raps Medical Aid

New York - (UPI)—Dr. Louis M. Orr, president of the American Medical Association, said Monday if Congress passes a medical aid bill for the elderly, the nation's hospitals will be jammed with persons who don't need hospital care.

Orr addressed the Medical Society of the State of New York which passed a resolution urging Congress to take no action on health care bills until the problem has been studied thoroughly.

"Much of the nation now suffers from lack of sufficient hospital facilities to care for the critically ill of all ages," Orr said. "Sending millions of elders with minor ailments to hospitals will turn a serious situation into a chaotic one across the nation."

Orr, who opposes both the Forand medical aid bill and the administration's aid bill, said "catastrophic or terminal illness" affects only a small minority of the aged, and these cases are generally better treated in nursing homes.
