Pimlico Stables Now House Top Derby Horses

Baltimore—UPP—The first three finishers in the Kentucky Derby took up residence along Pimlico's shed row today while their trainers debated whether to enter them in Saturday's Preakness Prep.

Venetian Way and Bally Ache, the 1-2 finishers in the derby, arrived on the same plane at nearby Friendship International Airport Tuesday and were vanned to the old hilltop course.

They were joined later by Victoria Park, the derby's third-place finisher who was shipped by train from Louisville.

Vic Sovinski, trainer of Venetian Way and Jimmy Pitt, Bally Ache's conditioner, were motoring from Kentucky. Both men have indicated they would like to give their charges a race over the Pimlico strip before the Preakness May 21.

Bill Dellinger 3-Miler Tops

New York—UPP—Only scanty reports of track and field accomplishments across the nation where athletes equalled or surpassed Olympic games qualifying standards reached the U.S. Olympic Track and Field Committees this week.

Although not officially reported to the New York office, a 13:43.6 clocking for the three-mile run by Bill Dellinger, ex-Oregon ace, turned out to be the top reported performance. Dellinger's feat, once it has been duly recorded by the committee, will give the U.S. its first qualifier at that distance.

The only events in which the U.S. now has failed to obtain at least one qualifier in the 19 Olympic events where such requirements are necessary are the 3,000 meter steeplechase and the 10,000 meter runs.
