The day's program was divided into two sections, with ninth- and tenth-graders attending the three-hour morning session designed to acquaint them with various careers in the field of medicine.

The students were welcomed by Sister Luke of the Savior, hospital administrator, and addressed by Dr. William Miller, chief of staff.

## Salmon Escapement Claimed Increased

Portland — (AP) — The State Fish Commission said Saturday salmon escapement has risen in both the Columbia and Willamette rivers in the past 10 days.

On opening day of the commercial spring season April 30 the cumulative count of Chinook salmon at Bonneville dam was about 37,000 and through May 9 was close to 63,000.

By April 29 about 200 Chinook were estimated to have passed Willamette Falls but an additional 800 passed during the week ending May 7.

Gillnet landings in the Columbia during the first week were estimated at 30,000 Chinook, about 60 per cent of the number caught in the first week of 1959.

## Vancouver Jury Finds Man Guilty

Vancouver, Wash. — (AP) — A jury found John Richard Brodersen, 33, guilty of murder in the first degree and recommended the death penalty Friday night.

The verdict ended a five-day trial of Brodersen, charged with the knife-slating of Harold Oster, 31, of Camas, Wash., last November.

The recommendation came as something of a surprise since prosecutor R. De Witt Jones did not ask for the death penalty. The defense had pleaded insanity by reason of temporary insanity.

The jury of four men and eight women deliberated the case for three hours. Brodersen only nodded his head when the decision was read.

Ankara — (AP) — New anti-government demonstrations broke out Saturday in Ankara and police and troops used tear gas to try to disperse a crowd of 2,500 persons.

**MISS LOSES JEWELRY**

New York — (AP) — Alger Hiss, who served a prison term in connection with alleged Communist spy activity, told police his apartment was burglarized last week. The only objects taken, he said, were an agate ring worth about \$25 and a \$3 pair of cuff links.
