

GP Cavemen Grab District 6 A-1 Cinder Mantle To Retire Trophy

Central Point - Grants Pass high's strong scintillated squad, taking blue ribbon points in seven events and cracking two meet records here Saturday, romped away with the District 6 A-1 track and field diadem for its third successive season.

Earlier in the season the Medford Black Tornado had loomed as a reviving cinder power in southern Oregon. But the Cavemen of GP nipped the Tornado in a dual a week ago, then yesterday pulled away in the final tabulations to retire the district trophy. They showed more depth of talent than rival aggressors.

Grants Pass totaled 164 1/2 points to Medford's second place 129 1/2. Crater was third with 58. Then came Klamath Falls with 44 1/2 and Ashland with 35 1/2 markers.

Old Record Falls
Steve Gray, Ashland, smashed the oldest record in the district books by broad jumping a mighty 22 feet 8 1/2 inches. This was 3/4 of an inch better than the 22-8 1/2 leaped by Dollarhide of Lakeview 20 years ago in 1940.

Larry Holmes, Grants Pass pole vaulter, and Ron Hoatson, GP discus heaver, established the other new standards. Holmes vaulted 12-11 1/2, more than making up for last year when he was favored and failed to win. Hoatson spun the platter a hefty 162-6 1/2.

Bob Voris, Ashland, ran the high hurdles in a record equalling 14.6.

The Cavemen added three seconds to their firsts in the state for 10 berths in the quality meet next Friday and Saturday at Corvallis. Medford picked up nine places in state, Crater four, Ashland three and Klamath Falls two.

Meek Takes Century
Ray Meek took the 100-yard dash for the Cavemen and Al Staley the 440-yard run. Ron Doyle capped low hurdle honors for GP. Ke. Marshall took the 880 and the march of Staley, Harvey Graham, Dennis Patterson and Meek claimed the relay honors.

Seconds by Tom Hathaway in the broad jump and by Bill Chronister in the 880 gained state meet spots for the Cavemen. Ron McIntire, CP, tied with teammate Gary Riggs in the pole vault and will go to state on the basis of less misses.

Ray Smith won the mile for Medford and Leonard Griggs the 220 dash. Crater firsts were by Derrell Williamson in the shot put and Don Garrison in the high jump.

Klamath's individual winner was Allen Phillips in the javelin.

Medford gained seven second spots for state meet entry. These were Mike Hood in the high and low hurdles, Tom Bortis in the shot put, Griggs in the 100, Phil Humphreys in

the 220 and the relay team of Humphreys, Hood, Terry Ryan and Griggs.

Dwight James, Crater, will join Garrison in the state high jump. He tied for second but had less mass than two others. Crater also qualified Max Burton in the javelin. Voris will represent Ashland at Corvallis in the 440 as well as the high hurdles.

Grays had three afternoon jumps over 22 feet with his next longest 22-7 1/2. Hathaway was 21-9 3/4 for second points. Burton, who threw the javelin 211-9 last week heaved it 190-5 on his first effort yesterday and hurt his arm on the try.

Grants Pass and Medford spoiled one prediction - that state meet spots would be well divided among competing schools.

Medford had a 112 1/2 to 108 1/2 edge over GP after a nip and tuck battle for first place through 11 events. Then the Cavemen took first, second and fourth in the half-mile to Medford's fifth and sixth; first to the Tornado in the relay and first, second and third points to Medford's fourth and fifth in the pole vault. The Black Tornado gained 18 of its points in the 100-yard dash with second, third and fourth.

RESULTS:
Broad jump - Steve Gray, A. Tom Hathaway, GP. Max Burton, GP. 22-8 1/2. (New record; old record 22-4 1/2, Dollarhide, Lakeview, 1940.)

Discus - Ron Hoatson, GP.

MEDFORD TRIBUNE SPORTS

Newell To Address St. Mary's Dinner

One of the biggest sports events of the year in Medford will take place in a banquet room on Tuesday, May 24.

This occasion will be the St. Mary's High school sports award dinner. It is set for 7 p.m. at Rogue Valley Country club.

A talk by one of the foremost collegiate coaches of the nation will give particular significance to the night. Peter F. Newell, head basketball mentor at University of California, will deliver the principal address.

Newell, named by press services as basketball coach of the year for the past two court seasons, will step up to the post of California's director of athletics at the end of the current school year. He will mentor the 1960 United States Olympic hoop team in the summer games at Rome. Title Team in 1959.

Newell coached California's

Golden Bears to the National Collegiate Athletic Association
Championship in 1959. His Bears were runners-up for the NCAA diadem last March. His appearance here reportedly marks the first time the California coach will address a high school group outside the Golden State.

Among special guests at the dinner will be administrators of Medford public schools, the coaching staff of Medford Senior High school and city officials.

St. Mary's athletes will be honored for their district and state championships in football and track, their Hayward relays logo and their county title in basketball.

Approximately 150 tickets have been made available to the public for the dinner and can be bought at Barker's Men's store or Lampert's Sporting Goods store.

PHILS RECALL SHORT
Philadelphia - (AP) - Southpaw Chris Short has been recalled by the Philadelphia Phillies from Indianapolis of the American association and will be available for duty today. The Phillies also announced that pitcher Art Mahaffey, who has a 4-1 record with Buffalo of the International league, was brought to Philadelphia for shoulder X-rays. Reports were negative, but he was ordered to the sidelines for 10 days.
