

Local Driver Is Found Innocent

Redding, Calif. — Max D. Nicholson, Medford, Ore., was found innocent here recently by a Shasta county superior court jury of a suit concerning a March 29, 1959, head-on collision in Dunsmuir.

Nicholson, 37, is a truck operator for the Oregon-Nevada-California fast freight lines.

Killed in the California accident were Eugene C. Bowdish, Lakehead, and Amanda Pritchard. Also involved were Mr. and Mrs. John Lane, owners of the car.

The jury found 10-2 in favor of the freight line and Nicholson, while other counter-suits were cleared out of court.

The accident occurred early in the morning when the Lane car travelling against Nicholson on the wrong side of the road, crashed into the ONC truck.

Suits against ONC, Nicholson, and Lane totaled more than \$72,000. Mrs. Caroline Lynch of Lakehead, mother of Bowdish, filed suits of \$60,975.

SP Freight Volume Matching Last Year

Freight traffic volume for Southern Pacific railroad is generally matching last year's levels, according to D. J. Russell, railroad president, who made his report at the company's annual meeting at Wilmington, Del., recently.

Long range prospects, he reported, remain good, in line with the continuing industrial and population growth in the 11 states served by Southern Pacific and its affiliates.

Net income for the first quarter for Southern Pacific, reported earlier, was \$19,152,303, equivalent to 71 cents a share of SP stock, compared to 67 cents a share for the same period a year ago.

Russell said SP, which last year pioneered the piggy-backing of automobiles, will expand its shipping services to include transportation of missiles by rail.

BANS MUSTACHES
North Pelham, N.Y.—UPI—The village board Thursday night backed up police Chief George Burrows' decree that there would be "no beatniks" on his force and several young officers will have to shave their dashing mustaches. One old-timer who has sported lip lettuce for many years will be exempt, the chief said.

There are about 1,200 cotton mills in the United States.
