TOO MILD
for you?
TEST
SMOKE
AT OUR RISK.

Now—a new way of life for cigar smokers! Here's a completely new modern corona size cigar... the mildest this side of Havana. And man, does it taste good! That's because it's a special blend with sun-ripened Golden Isle leaf that's completely new in character, so light, smooth and modern in taste.

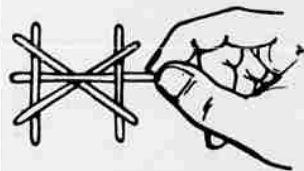

The new Wally Frank Special Coronas promise to completely revolutionize the cigar business, but before marketing them to compete with corona size cigars selling for luxury prices, we want your opinion as a cross check on our tremendous enthusiasm.

We've set aside a limited quantity of these beauties for this test. We'll send you a special sampler kit of 3 cigars for you to Test Smoke and all we ask is that you give us your honest opinion of them on a simple questionnaire. Send us nothing for the cigars, we've written them off. Please send only 10¢ to cover postage and handling and mail to—
