No State Funds For Mrs. Schunk

Salem - (UPI) - Secretary of State Howell Appling Jr. informed Oregon Centennial Commissioner Jack B. Lively today that an investigation by the State Audits Division confirms that no state funds were paid to or used by Mrs. Terry Schunk for a trip to Japan.

Appling said he ordered the probe after noting Lively's statements about the expenses of Mrs. Schunk, wife of Portland's mayor, when the International Trade Fair advisory group went to the Orient last year.

Appling said about \$15,000 was paid by the Commission to the advisory group but none of this went to Mrs. Schunk, who accompanied the mayor.

"She had planned to get her driver's license in a couple of days," said Patrolman Carl Fiehr, "but I guess she won't be able to make it."
