

Kansas Captures NCAA Team Title; Dyrol Burleson Sets Meet Record

United Press International, Berkeley, Calif.—Ten meet records were set, one tied and Kansas won its second straight team title Saturday in the NCAA track and field championships.

In a thrill-filled day of competition, U.S. college athletes tuned up for the Olympic trials with solid performances in nearly every event. Outstanding feats were turned in by Charlie Tidwell of Kansas, who won the 100 and 200 meter dashes; John Thomas, the high-jumping ace from Boston university, and Dyrol Burleson, the great miler from Oregon.

The smooth-striding Tidwell tied a 28-year-old record in the 100 meters when he was clocked in 10.2 seconds. The record first was set by Ralph Metcalfe, of Marquette, in 1932, and later duplicated by the great Jesse Owens of Ohio State in 1936.

Tidwell won the 200 meters in easier fashion in 2:20.8. Thomas cleared 7 seven feet to win the high jump and erase a mark of 6 feet 11 1/2 inches set in 1955 by Ernie Shelton, of USC. It was the 28th time Thomas had cleared 7 feet or better. Later he tried for a world's mark at 7 feet, 2 inches and barely brushed off the bar on each of three tries.

Burleson, only U.S. citizen ever to crack the four minute barrier in the mile twice, easily won the 1,500 meter race.

His 3:44.2 erased a mark of 3:47.3 set by Ron Delany

BURLESON WINS HEAT—Dyrol Burleson (259), University of Oregon, is shown winning his heat of the 1,500-meter preliminary on Friday at the NCAA track and field meet at Berkeley, Calif. His time was 3:50.1. Second was Barrie Almond (106), Houston, and third was Milford Dahl (447), UCLA. (UPI Telephoto)

of Ireland and Villanova in 1956.

Burleson, taking the lead halfway through the race, won by about 40 yards over Bob Holland of UCLA. The Oregonian, obviously not too worried, came running down the home stretch looking over his shoulder as 17,000 fans applauded.

Close Finishes Sixth—Jerry Close, ex-Medford high athlete finished sixth in the broad jump with a leap of 24 feet 1/2 inch.

Other Oregon finishers were Gary Stenlund, Oregon state, second in the javelin; Darrell Horn, Oregon, third in and broad jump; George Larson, Oregon, sixth in the 1,500-meter run; Paul Winder, Oregon state, second in the 100-meter dash and third in the 200-meter dash; Jerry Stubblefield, Oregon, fourth in the discus; Dave Edstrom, Oregon state, sixth in the 800-meter run.

Seven University of Oregon men and three Oregon State tracksters had qualified for Saturday's meet.

Those qualifying from Oregon were Burleson, Edstrom,

Larson, Sig Ohlemann, Roscoe Cook, Stubblefield and Close. Phil Paquin and Dick Miller did not have to qualify but were entered in Saturday's meet.

Horn, Stenlund and Amos Marsh all qualified for Oregon State.

Other Meet Records:

800-meters — George Kerr, the Jamaican, attending Illinois, retained his crown with a running of 1:46.4. The old mark was 1:46.7 set by Arnie Sowell of Pittsburgh in 1956.

Kerr came from behind to catch the fading Ernie Cunniff of Stanford. Jerry Sliether, of California, nipped Cunniff at the tape to take second place.

Shotput — Dallas Long, 61 feet 9 inch toss on Friday stood up.

Javelin — Bill Alley, of Kansas, cracked the meet record three times with a top throw of 268 feet, 9 inches. The old mark was 257 1/2 inches set by John Fromm, of Pacific Lutheran in 1958.

University of Oregon and Oregon State tied for fourth in the meet with 22 points apiece. Kansas was first with 50 points, USC second with 37 and UCLA third with 31.

Horn, Stenlund, Burleson, Edstrom, Larson, Stubblefield and Close all qualified for the U.S. Olympic trials at Stanford, Calif., July 1-2.

Title Taken By Cinnera

Portland (UPI)—Gene Cinnera of the Portland Golf club posted a 3 and 1 victory over Lebanon's John Snyder to win the juniors' division of the 30th annual Oregon Juniors golf tournament here Friday.

Portlanders also copped the boys and girls crowns.

John Nelson, Rose City, defeated Alan Hudspeth, Prineville, 5 and 4, and Sue Jennett of Waverly scored a 1-up decision against Treasure Sullivan, of Top O'Scott in Portland.

Tillamook's Jack True captured the pee wee's crown by besting David Glenz, 4 and 3.

OTHER FINALS:
Boys Division (16th flight)
Nicholas, Sugg, Portland, def. Williams Collins, Medford, 6 and 5.
Pee Wee Division (Third flight)
Bartley Griswold, Portland, def. Roger Berg, Medford, 5 and 4.

Averages Healthy in Rogue Loop

ROGUE VALLEY LEAGUE STANDINGS:

Team	W.	L.	Pct.	GB
Ashland	4	0	1.000	—
Roseburg	3	0	1.000	—
Medford	2	2	.500	2 1/2
Grants Pass	4	2	.667	1 1/2
Crescent City	0	5	.000	4 1/2

Healthy batting averages in the Rogue Valley Baseball circuit remain plentiful with no less than 14 players sporting marks of .500 or better.

The five for five by Duane Miller, Roseburg, for 1,000 still tops the list. Frank Reitor is second high with five for six and .833 for Medford Bowling lanes.

Jerry Droscher, Roseburg, is clouting .600 for 10 trips to the plate and Larry Maurer, Ashland, .545 for 11. Ray Munyon has a .529 status for 17 batting turns.

The top man in runs batted in is under the .500 average. Ken Ayeers, Roseburg, has driven home 11 runners. His .467 average is a very good one. Munyon heads in hits with nine and Ron Beamer, Roseburg, and Ron Maurer, Ashland, each have eight.

Roseburg leads in team batting with .349. Other team marks are Ashland .272, Medford .238, Crescent City, Calif., .228 and Grants Pass .185.

Mike Coen, Roseburg, and Gene Parent, Ashland, are pitching leaders with 2-0 records each.

Rogue Valley loop play continues today with Roseburg meeting Medford at Memorial stadium, White City, and Crescent City tussling at Ashland. First games of each doubleheader are planned for 1 p.m.

INDIVIDUAL BATTING:

Player	AB	R	H	RI	Pct.
D. Miller, R	5	1	5	3	1.000
F. Reitor, M	6	0	5	0	.833
D. Dector, M	1	2	1	0	.667
J. Droscher, R	10	5	6	4	.600
D. Wells, R	5	2	3	0	.600
L. Maurer, A	11	2	6	4	.545
R. Munyon, R	17	3	9	8	.529

Blanks Sent For Entry In SO Golf

Entry blanks were mailed out last week to prospective contestants in the Southern Oregon Golf Championships.

The 32nd annual tournament is set for August 31 through September 5, Labor Day at Medford's Rogue Valley Country club.

Tourney Co-Champion Darrell Miller and Bill Clark reported that entry blanks were being sent to every man and woman who participated in the 1959 competition. Last year's entry totaled 336 from 33 clubs in Oregon, Washington, California and Nevada.

Entries are limited to players 18 years of age or over. Entry deadline is August 24.

Rivalry will be in the men's, senior men's and ladies' division. Champs in 1959 were Bob Prall, Salem, Karl Bennett, Grants Pass, and Miss Betty Martin, Longview, Wash., respectively.

Posters on the Southern Oregon also were sent for display at various clubs.

Marcel Pigou Halts Lause

New York (UPI)—Marcel Pigou, an unheralded knockout artist from France, today vaulted into the ranks of the middleweight contenders on the strength of his sensational upset over Argentina's Eduardo Lause.

The 26-year-old Frenchman climbed off the canvas to win a seven-round technical knockout over Lause in their nationally-televised scrap Friday night at St. Nicholas Arena.

Lause, favored at 13-5, dropped Pigou for an eight-count with a left hook to the body in the fifth round but the Frenchman bounced back fast and floored Lause with a left hook to the chin in the seventh.

The Argentinian arose at the count of eight, bleeding badly from cuts over both brows and the forehead. When Pigou continued to batter Lause into helplessness, Referee Arthur Mercante stopped the bout.

FANFARE Palmer Wins U.S. Open With Record-Breaking Comeback

By DICK JEWETT
Mail Tribune Sports Editor

Medford High school's 1960 football schedule, as originally announced by Head Coach Fred Spiegelberg, has caused considerable comment because the Black Tornado's longest trip of the season was to be to Grants Pass.

This has changed. At the coaching clinic this month at Eugene, Spiegelberg filled in the open date on the Tornado schedule. Medford will play on Sept. 23 at Red Bluff, Calif. Red Bluff last fall was champ of its league, which included Shasta High of Redding.

Medford now has its full allotment of regular season games, nine of them, with six at home. The slate as it stands complete is: Sept. 9-Arcata, Calif., here; Sept. 16-Marshfield here; Sept. 23-At Red Bluff; Sept. 30-South Salem here; Oct. 7-Crater here; Oct. 14-Klamath Falls here; Oct. 21-Reno, Nev., here; Oct. 28-At Ashland; Nov. 4-At Grants Pass.

Reno and Arcata, along with Red Bluff are new to the slate.

PLUMLEY FEATURED

An Oregon State college pamphlet seeking memberships in the Beaver club features Neil Plumley, ex-Medford High athlete. Plumley, an OSC tackle in football, the Beaver shot put record holder and honor student at the college, expresses in the pamphlet appreciation for athletic scholarships made possible from Beaver club donations. His statement is made in behalf of some 150 student athletes at the Corvallis school.

The pamphlet has three pictures of Plumley, as a track and football man and as a student.

PLAY FOR FROSH

Four members of the Oregon freshman baseball squad this spring were ex-Medford High school diamond men. These included Bob Pond, Ron Peery, George Ice and Tom Lawrence. Wet weather in the Willamette valley permitted the Ducksling to play only a limited number of games.

Both Pond and Ice are playing for the Medford Bowling lanes team of the Rogue Valley Baseball league. Peery reportedly is competing for the Eugene Ducks, a semi-pro line, this summer.

When this was completed, the additional water raised the level to the top of the old screens causing considerable losses of downstream migrant fish. Instead of being bypassed, the young fish were picked up by the screen and carried over the top. Cost of construction and replacement of the screens was around \$1,500.

MADDOX TO TEACH

Another ex-Medford High baseballer with the Eugene Ducks is Terry Maddox. With the Salem Senators earlier this season, Maddox recently drew his release from that Northwest league club. He reportedly was victim of an economy move. Maddox was one of the higher salaried Senators.

A graduate of University of Oregon, where he starred in baseball, the ex-Medfordite reportedly will teach and coach next school year at Springfield. Norm Chapman, another ex-Medford star, has been head track tutor at Springfield and will become head man in football for the Millers this fall.

Denver (UPI)—Golden boy Jimmy Mc Hale at St. Louis in 1947. Then he wheeled home to round off a 30-5-65 score which matched Wally Burkemo's 1957 final round open record and hung up a winning total of 280 — four strokes under par for the 72 holes.

Souchak Falls

There were a dozen of them making a run at it as the burly Souchak faltered. There was, among them, 20-year-old amateur king Jack Nicklaus, trying to become the first amateur winner in 27 years . . . former champion.

Denver (UPI)—Ed Oldfield of Astoria, and an ex-Medford High school athlete, shot a 76 in the U.S. Open Golf tournament Friday for a two-day total of 160, far off the pace. Oldfield had an 84 in his first round Thursday.

He threw a blazing 30 at them on the front nine, shooting six birdies to tie the nine.

Migrating Fish Have Protection

Grants Pass—A new lease on life was given downstream migrant steelhead and salmon recently at the Savage Rapids irrigation diversion through the installation of new rotary screens, thanks to the Grants Pass Irrigation district.

The new screens, installed on the outside diversion by crews from the game commission's Central Point screen plant replaced old inadequate screens of some 25 years existence. The dual screens, each one some eight feet in length, were also constructed at Central Point.

Need for replacement of these screens became evident some five years ago when the district voted funds for extensive repair of the Savage Rapids dam to plug leaks in the face and footings which prevented full impoundment of water.

When this was completed, the additional water raised the level to the top of the old screens causing considerable losses of downstream migrant fish. Instead of being bypassed, the young fish were picked up by the screen and carried over the top. Cost of construction and replacement of the screens was around \$1,500.

The Medford irrigation district also went all out in protecting migrant steelhead at their new Talent diversion dam on Bear creek. On this 18-foot diversion canal the district installed dual rotary screens to prevent downstream migrants from entering.

SERIES EVENED

West Jordan, Utah (UPI)—The Utah Shamrocks scored three runs in the third inning and went on to defeat the Ery Lind Florists of Portland in the fourth game of a five-contest women's softball series here Friday night. The win evened the series at two games each. The teams are scheduled to play the final game of the series Saturday night.

lake and trudging disconsolately home with a triple bogey seven.

Palmer, golf's leading money winner, turned those last two holes even with the card — and by doing it to close out a course record 65, the best round of the tournament, jacked his earnings this year to a staggering \$62,841.

When it was all over, U.S. amateur champion Nicklaus was second, two shots back, with a 32-39—71 for a 282, which was the lowest score ever posted by an amateur in open history.

Six were tied for third at 283 — Dutch Harrison, Julius Boros, Dow Finsterwald, Jack Fleck, Ted Kroll and the misery-ridden Souchak — while Ben Hogan's closing 73 put him at even par 284 with little Jerry Barber and singer Don Cherry. And Sammy Sneed, at 48 "giving it my best effort," wound up with a 74 which put him all the way back at 288.

plions Jack Fleck and Julius Boros . . . and four-time winner Ben Hogan.

All of them tied, or took, the lead at some stage during those tense, bitter final holes. And with only two holes to play, Hogan, shooting for a fifth win which would remove him from a tie with Bobby Jones and ancient Willie Anderson, was dead even with the golden-skinned Pennsylvanian.

But then it was "The Hawk" who fluttered brokenly to earth. Bantam Ben at 47 came apart at the seams. For the "wee wee mon" caught water with his approach on the 17th for a killing bogey and then buried himself ignominiously on the 18th by sinking his drive in the facing

Yes, American Legion Posts' volunteer baseball committees have helped start over 50% of ALL MAJOR LEAGUE PLAYERS in the nation's Number 1 sport and are still doing a fine job. Many boys, 14 through 17 years of age, have benefited through this fine program in both physical and mental training — while delinquency is practically nil in these groups.

And Don't Forget...

It takes ENERGY to play ball! That's why the boys drink lots of nourishing MILK. It gives them the necessary pep to play the game and keeps them healthy throughout the season. Fans, too, need milk — so, be sure you have plenty on hand before and after the games for the small fry and grown-ups, too.

Drink 3 Glasses a Day!
