### Three Accidents Reported to State Police Thursday

Three two-car collisions were reported Thursday to state police. Two of them happened in the same location within minutes of each other.

Involved in one were cars operated by Glen Emory Alford, 744 Iowa st., Ashland, and Pearl Juanetta Hoffman, 303 North Fir st., Medford.

Police reported that the Alford car was traveling north on Highway 99 near the south entrance to the Bear Creek orchard's parking lot behind a car turning left into the lot. While attempting to slow down for the turning vehicle, the Alford car's front left wheel grabbed, pulling the car into the southbound path of the Hoffman car.

Pearl Hoffman was confined to Ashland general hospital with a broken knee cap and minor injuries, according to the police report.

The accident occurred about 6:54 a.m. Thursday, and was followed by a similar crash within 15 minutes, police said.

**Second Collision**

Involved in the second collision were cars operated by Alberta E. Guyton, 3890 Laurel lane, Medford; and Dean Louis Sommer, route 1, box 548, Talent.

Both vehicles reportedly going north on Highway 99 in the inside lane, the Guyton car slowed to turn left into the Bear Creek parking lot and the Sommer auto was unable to stop in time.

Another accident happened about 10 a.m. Thursday on Table Rock rd. and Wilson rd. and involved a truck operated by Charles Thompson White, 17, of route 1, box 453, Medford, and a car operated by

George W. Adams, Alliquippa, Penn.

Both cars were northbound on Table Rock rd. when the truck towing a trailer attempted to turn left onto Wilson road. The Adams car, which was following White, was unable to stop in time to avoid the accident, according to officers. Police said complaints would be filed against White for not having a sufficient stop light, and against Adams for following too close.
