Central Point Cheney Studs, with pitchers Bill Anhorn and Brad Gettling holding rival batters at bay with Pat Pepper, Mike Glines, Brad Gettling and Louis Alvarez supplying hitting punch, thumped Grants Pass 13 to 1 here last night in southern division of Area 4 American Legion junior baseball.

The victory made more secure Central Point's hold on second place in the standings. League play continues at Cheney diamond here tonight with Medford opposing Klamath Falls No. 1. Game time is 8 p.m. Klamath heads the circuit with a spotless record. Medford is still trying for its first league triumph.

Schroeder Fires 160

Colorado Springs - (UPI) - Jerry Cundari of Oregon was the only player from his team to qualify for match play Tuesday in the NCAA golf championships here.

Cundari shot a 78 to go with a first-round 72 and wound up with 150.

The leading Oregon State scorer was Stewart Schroeder (ex-Medford High) with a 79-81-160. Other Beaver scores included Bill Aubry 83-84-167; Tom Hamlin 91-82-173; Jack Mattison 85-78-163; Jack Rohrbough 80-89-169.

Other Webfoot scores were Keith Gubrud 84-73-157; Denny Strickland 76-84-160; Tom Jakobsen 82-79-161 and Tom Shaw 80-81-161.

Drysdale Puzzle To LA Dodgers

Cincinnati, Ohio - (UPI) - Los Angeles Dodgers officials and players are busier than a head-shrinker with a room full of schizophrenics today trying to figure out what's wrong with the team's ace hurler, Don Drysdale.

But what's more important, Manager Walt Alston and company would like to know what to do about it.

"Since he slipped in the clubhouse and strained his back earlier in the season, I don't think Don's been throwing very hard and his control has been off," said Alston.

Catcher Norm Sherry who's seen the lanky hurler in action better than most other Dodgers says, "I think Don was throwing real hard Monday at Milwaukee."

Apparently Drysdale wasn't throwing hard enough because Brave bat ace Hank Aaron touched him for two homers to win the game.

"Drysdale got off to a bad start this season. In the first five games the Dodgers gave him something like 10 runs. He practically had to pitch a shutout to win," said a sympathetic, but understandably perplexed Alston.

"Milwaukee gave him a real shellacking in Los Angeles, but for the most part he's just pitched in tough luck," the Dodger mentor continued.

night and Gettling came with in one out of making it a no-hit triumph for the Cheney nine. With two out in the bottom of the seventh (Grants Pass was the "home" team), Gettling yielded a triple to Gary Holmes. That was the only GP hit of the evening and it drove in the only Climate city run. Bud Stanley had walked ahead of Holmes. Grants Pass hit the ball just out of outfield range just twice.

In his four innings on the hill, Anhorn walked four and struck out five. Gettling issued three bases on balls, hit a batter and fanned two.

Six In Fourth

Pepper drove in three runs on two hits. Gettling had four RBIs. He doubled home three runners and scored another off a sacrifice fly. Steve Harris also had a four RBI night, on three walks and a hit. Alvarez had three hits and Glines two for the Studs.

Big inning for the Studs was the fourth with six runs on three hits, a walk, a fielder's option and three errors. Three scored in the seventh on two hits, four errors, a walk, a hit batter, two stolen bases and a passed ball.

Herb Wheeler, who chucked 12 innings against Central Point last Friday, is the likely pitcher for Medford tonight against Klamath Falls. The KF nine could have Wally Palmberg or John Webb on the hill.

The Medford infield is expected to be Bob Quinney at first base, Jim Calhoun at second, Craig Laurance at third and Danny Miles at shortstop with Jim Barry catching. If Dick Ragsdale is on hand, he may be in center field with Mike Neathamer going to left. Choice for right pasture could be among Dick Deffley, Art Ruhl and Jack Lowrey.

Ragsdale, who has been in Canada, was not back for Monday or Tuesday workouts. Tim White, who has been playing first base, reportedly is going, or has gone, on a trip.

Mermaid Claims World Record

Zurich, Switzerland (UPI) - Armin Hary, 23-year-old German sprinter, had to run the 100 meters twice in 10 seconds flat in order to establish his claim to a world record.

Hary did it the first time in an international track and field meet here Tuesday but the performance was disallowed because most of the six other starters in the field charged he had jumped the gun.

So Hary asked the meet officials to re-run the race.

The Frankfurt radio salesman then repeated his clocking of 10.0 seconds.

Cardinals, Rams In Grid Opener

Philadelphia - (UPI) - The National Football League, with the Dallas Cowboys as an added starter, will open its 41st season Sept. 23 when the St. Louis Cardinals meet the Rams at Los Angeles.

Dallas will make its bow the following night against the Pittsburgh Steelers in the Cotton Bowl.

The league will get into full swing on Sunday, Sept. 25 when Green Bay will play host to the Chicago Bears; the Philadelphia Eagles will welcome the Cleveland Browns; the world champion Baltimore Colts will be at home to the Washington Redskins and the San Francisco 49'ers will battle the New York Giants, Eastern conference titleholders, on the West Coast.

NW First Half Ends June 30

United Press International

It's still anybody's guess who will be the first-half pennant winner of the Northwest league today as only three and one-half games separate the first three teams in circuit standings.

The league will wrap up its first half of action June 30 leaving only eight more days to play.

Tri-City won Tuesday night, 13-7, over Wenatchee off the power hitting of Tommy Agosta and Harry Dunlop. Lewiston took two wins over Eugene, 2-1 and 3-1, and Salem squeezed by Yakima, 7-6.

Grounds Laid For New Loop

San Francisco - (UPI) - The next step in the organization of a new collegiate athletic conference involving some members of the Skyline and Border conferences and the old Pacific Coast conference lies with the administration of schools involved.

Directors and faculty representatives of the schools laid groundwork for the new league in meetings which ended over the week end.

Schools represented included Utah, Brigham Young, New Mexico, Arizona, Arizona State, Oregon, Oregon State and Washington State.

Pasero Says New Loop In Making

Portland (UPI) - Oregon and Oregon state will join a new Far West conference before the year is out, Sports Editor George Pasero of the Oregon Journal predicted today.

"Only adverse administrative or alumni pressure along the conference front that extends from border New Mexico to the north Pacific region could change the present sentiment," Pasero said.

Officials from Oregon, OSC, Washington state, Utah, Brigham Young, New Mexico, Arizona and Arizona state met in San Francisco last week and plan to meet again in Salt Lake City in October.

Stan Bates, athletic director at Washington state, indicated Monday WSU would willingly join a new athletic conference if Oregon and OSC did so.

Spec Keene, OSC athletic head, said, "At first I wasn't for it. Now, as time goes on and the more I see and think of it, the more enthusiastic I become." Leo Harris, athletic director at Oregon, said, "I'm agreeably impressed. The more I study it the more favorably impressed I am that in the long run our affiliation with the new league would be for the greater good of the University of Oregon."

UO Decathlon Tickets Ready

Eugene - (UPI) - Ticket sales for the 1960 National Decathlon championships at University of Oregon July 8-9 began today.

Emerald Empire Athletic association officials said a reserved seat costs \$4 each for the two-day, 10-event classic.

The two day affair will feature 30 top decathlon stars bidding for the National championship and one of the three berths open in the United States Olympic team.

Favorites include Dave Edstrom of Oregon and Rafer Johnson of the Los Angeles Striders. C. K. Yang of Formosa, a freshman at UCLA, also will fight it out with Edstrom and Johnson for the national title.

LA Judge Says Cannon Not Ram Property

Los Angeles - (UPI) - All America Billy Cannon is free to play football with the team of his choice, the Houston Oilers of the fledgling American Football league.

Federal Judge William Lindberg described Cannon as a wonderful athlete but "anything but an astute businessman" Monday in ruling he could play with the Oilers.

Cannon, former Louisiana State university halfback, was taken to court by the Los Angeles Rams who tried to keep him from playing with anyone but them.

Cannon signed a contract with the Rams Nov. 30-a month before he played with LSU in the Sugar Bowl game - calling for some \$50,000 over a three-year period. Later he signed with Houston for a salary double what the Rams offered.

In voiding the Los Angeles contract, Lindberg said the agreement Cannon signed was simply an offer to enter into a binding agreement. He said the pact should be characterized as a "conditional precedent to execution" of a working contract.

The jurist said the Ram contract called for a termination date, but no starting date, indicating it was conditional.
