### Butte Falls Man Files \$7,500 Suit

James Ford, box 53, Butte Falls, is seeking \$7,500 from Medford Corporation, according to a complaint filed in circuit court.

The damage suit results from an accident Feb. 16 near Butte Falls when Ford was helping to load oil barrels on a truck. The barrel slipped

damaging the fifth finger on his right hand, Ford alleges in his complaint.

He alleges further that Medco was negligent in not having a proper light to work by, not having a proper means to load barrels, and in requiring the barrels to be loaded under the existing conditions.
