NOT SHORT ON SPEED

Gonzales, Tex.—(UPI)—Carolyn Tinsley, a senior at Gonzales High School, is the fastest shorthand student in state history. She set a new speed record in winning the Texas championship by taking dictation at the rate of 100 words a minute for five minutes, then transcribing her notes perfectly in 18 minutes and 58 seconds.

WATCH YOUR VISION

Chicago—(UPI)—If you're the only one in the family who thinks the TV picture is bad, it could be the first indication of failing vision. Dr. James Molenaar, executive secretary of the Illinois Optometric Association, said a TV screen is not the finest diagnostic tool, but the blurring TV picture has become an excellent first warning signal.
