By JACK CUDDY  
Salt Lake City—(UPI)—Gene Fullmer, two-time kayo conqueror of Carmen Basilio, will defend his NBA version of the middleweight crown against Sugar Ray Robinson in an October "rubber match" if Robinson will accept reasonable terms.

That's what Fullmer said today while accepting congratulations for his impressive second technical knockout victory over ex-champion Basilio in their return title bout Wednesday night before an estimated 10,500 spectators at Derks Field.

The gate was estimated at \$98,000.

"I've got something I want to settle with Robinson," said the battle-scarred champion from nearby West Jordan, Utah. "He's the only man who ever knocked me out. I want to return the favor."

Bull-shouldered Gene won the undisputed 160-pound title from Robinson on a decision at New York, Jan. 2, 1957; but Sugar Ray recaptured it from Gene on a fifth round knockout at Chicago

## Post 15 Junior Legion Nine Tops Central Point

AREA 4 STANDINGS (Southern Division)

Team	W.	L.	Pct.
Klamath Falls	4	1	.800
Central Point	4	2	.667
Medford	2	4	.333
Grants Pass	1	6	.143

Medford Post 15 American Legion junior baseball club, showing signs that it could finish strong in the southern division of Area 4, dealt a blow last night to Central Point Cheney Stud hopes of catching the front running Klamath Falls nine.

The Coca Cola club tipped Central Point 2 to 0 in a fast moving engagement at Cheney diamond here. Each of the clubs maintained its position in the division standings. But, while third place Medford cut the gap to two-games between itself and the second spot Studs, the CP crew slipped to 1½ games back of the KF leaders.

All four teams in the circuit will be in action on Friday with Central Point meeting Grants Pass here at 8 p.m. and Medford journeying to Klamath Falls.

Medford, which had two-hit pitching by Bob Quinney, collected just three hits, itself, off Studs' chucker Bill Anhorn. Post 15, nevertheless, put two of the safeties with Cheney miscues and one of these two with a base on balls to score single runs in the second and third cantos.

In the second inning Craig Laurance walked. He sped to third base on a single by Jim Barry and went home when the throw from the outfield

## Solons Defeat Portland 5-4 in 12-Inning Tussle

By ROY WEBSTER  
United Press International  
Tacoma left-hander Marshall Renfro must wait to push Vancouver Mountie Joe Durham off the Lions Gate suspension bridge today after what Durham did Wednesday night.

Renfro gave up only two hits in the Giant-Mountie contest, both singles by Durham. In pitching the 4-0 win, Renfro struck out four and walked four with only one runner reaching second.

Spokane kept its two and one-half game lead over Sacramento with a 4-3 victory against San Diego in 11 innings. The Solons made a night of it in Portland but

## Burly Able To Run In Olympic Trials

Eugene—(UPI)—Dyrol Burleson, ace University of Oregon distance runner, will be able to compete in the U.S. Olympic trials at Stanford this week end, his coach indicated today.

Burleson Wednesday had shaken off a fever which accompanied a bad cold that hit him earlier in the week.

Coach Bill Bowerman of Oregon said Burleson had taken a couple of walks Wednesday.

Burleson, the only American ever to run the mile under four minutes twice, is this country's top hope for the 1,500 meters in the Olympic games.

He was scheduled to leave here for Stanford at noon today.

By HAL WOOD  
Stanford, Calif.—(UPI)—Sprinter Charley Tidwell of Kansas predicted today that due to tension there would be few, if any world and national marks set in the Olympic games track and field trials here Friday and Saturday.

But Stanford coach Don Jordan predicted a rash of new marks because "this is

## Baseball Men Asked to Iron Out Differences

Washington—(UPI)—Sen. Kenneth Keating (R-N.Y.) today urged organized baseball to "get together and iron out differences" with the Continental league.

The temporary setback of the Kefauver sports bill on Tuesday left congressmen and the opposing baseball factions in an expansive, conciliatory mood.

Keating wired both baseball Commissioner Ford Frick and Bill Shea of the Continental league Wednesday asking them to negotiate in good faith.

Sen. Joseph C. O'Mahoney (D-Wyo.) said the Kefauver sports bill is "not dead" despite Tuesday's vote to return it to the Senate judiciary committee. On the contrary, O'Mahoney said, this move had given the baseball anti-trust bill "a new lease on life."

In New York, Frick reiterated that the proposed bill was "bad legislation," but added, "our opposition was in no way pointed toward the Continental league."

## De LAMAZE WINS TITLE

Chantilly, France—(UPI)—Henri de Lamaze, the cool Frenchman for whom golf is a daily ritual, won the 1960 French Amateur championship, but most of the cheers were for the durable loser-part-time golfer John W. Dawson of Palm Desert, Calif. The 57-year-old Dawson, a California real estate developer who interrupted a European business trip to compete in the French amateur championship, battled De Lamaze almost to a standstill Sunday before bowing out, 4 and 2, in the 36-hole final.

## Bears Cinch Half Title

United Press International  
Yakima cinched the Northwest league first-half crown in a big way Wednesday night with a 13-6 victory over Wenatchee.

The half officially ends tonight.

The Bears got six in the first frame, two of them on a double by Dan Stanlec, who accounted for four runs batted in all told.

Tri-City, the second-place club, dropped an 8-2 decision to Lewiston, and Eugene defeated Salem 3-2, to round out the night's action.

## Jury Convicts Philadelphian

Philadelphia—(UPI)—A former night club manager convicted of offering Philadelphia Phillies pitcher Humberto Robinson \$1,500 to throw a game last season was free on \$15,000 bail today pending action on his plea for a new trial.

A jury of seven men and five women found Harold Friedman, 43, guilty in less than 30 minutes of deliberation in his one-day trial. Judge Ethan Allen Doty, deferring sentence, set a hearing Aug. 1 on Friedman's motion.

## Grosz Suffers Broken Wrist

Eugene—(UPI)—Dave Grosz, star University of Oregon quarterback considered a potential all-American contender next fall, was in Sacred Heart hospital today with a broken wrist on his passing arm.

Grosz suffered the injury Wednesday when he fell

while working on a bridge construction job at Judkins Point here.

Len Casanova, Oregon coach, expressed hope the fracture would not hurt Grosz' ability this fall but said it was too early to say for certain.
