

umm!

love that smitten pink

Know how it feels to fall in love at first sight?  
 We do, because we've just unpacked our Jantzen  
 "pink kiss" separates and, whammy! In one delirious,  
 giddy, light-hearted moment, we fell. Try it  
 yourself and see. Better still, test its impact on  
 your best beau. You'll  
 discover why the most sought-after girls  
**just wear a smile  
 and a jantzen**
