

Hole in Salem Roof Remains Baffling

Salem (AP) — The Clyde Bales family of southeast Salem are still trying to find out what happened to their roof.

Mrs. Bales heard what sounded like an explosion outside about noon Monday. When her husband got home in the evening he took a look and there was a hole in the roof and their television antenna was knocked over.

Damage was estimated at \$1,500. Cause of the blast was being investigated today.
