Democratic Presidential Nominee Thanks Convention Delegates

Kennedy Promises To Lead Victory-Starved Democrats Back To Power

(Continued From Page 1)
In a dramatic appearance before the hoarsely cheering convention delegates just before midnight in this convention city, Kennedy promised to lead his victory-starved party to national power.

"We will carry the fight to the people this fall - and we shall win," declared the 43-year-old Massachusetts senator, one of the youngest men ever nominated for the presidency, and the first Roman Catholic to head a major party ticket in 32 years.

Kennedy made it plain, from the moment of his nomination, that he would campaign against Republican Richard M. Nixon with all of the vigor and political finesse which he displayed in gaining massive control of this convention.

He held a brief conference with top Democratic leaders from key states outside the convention hall barely an hour after his nomination was made official.

The presidential nominee also scheduled another strategy huddle with party leaders this morning to discuss his vice presidential choice.

Several influential Democratic leaders, including those from New York, Illinois and Pennsylvania, were known to favor Symington on the theory that he is a nationally prominent figure and would strengthen the ticket.

Midwestern Protestant Symington also possesses several other qualifications regarded by Kennedy strategists as essential - he is from the Midwest, has a pro-farm bloc voting record, and is a Protestant Episcopalian.

Symington, who had previously disavowed any interest in second place, indicated strongly today that he would accept if asked. He said the question was "entirely up to Sen. Kennedy."

Immediately after his victory, Kennedy was given pledges of support by Senate Democratic Leader Lyndon B. Johnson, his strongest rival, Symington and Adlai E. Stevenson, an inactive candidate who was available for a third nomination. But there already were some rumbles of trouble from the South, which had supported Johnson almost unanimously.

Oregon Delegate Bolts Support of Senator Kennedy

Los Angeles - UPI - Oregon's outgoing National Committee woman bolted her delegation's solid backing for Sen. John F. Kennedy at the Democratic National Convention Wednesday night.

Mrs. Virginia Grant, who had hinted she would do so, cast her 1/2 vote for twice-defeated Adlai Stevenson while the remainder of the delegates totaled 18 1/2 votes for Kennedy.

Didn't Feel Committed
She said she did not feel committed by the state's May presidential primary election and that she weighed her decision "very carefully" before the vote.

She described Kennedy as a "driving, imaginative, and tenacious leader who grew steadily in strength and purpose" during his exhaustive primary election campaign.

Mrs. Edith Green, in her third term as Congresswoman, seconded the Kennedy nomination Wednesday night when it was placed before the convention.

She described the New Englander as a man who will lead the nation in a "program of action" this fall.

"We all know that the future of this country - perhaps the future of freedom everywhere - will be affected in a large measure by what we do here in these noisy, crowded days," she told the delegates.

Patton discussed the festival in a talk to Medford Kiwanians at their luncheon meeting at Rogue Valley Country club.

Featured on the luncheon program were the festival's strolling singers, Lyman Pruitt, Miss Sabine Phelps, Ted Lawson and Bob Anderson and Elizabethan musicians, Mrs. Rosme Taylor and Miss Susan Shively.

The Oregon Shakespearean Festival at Ashland was described by Manager William Patton yesterday as another industry in this area "that I think you can be proud to tell people about."

She recalled that the Democrats in their platform had made "noble pledges" to the American people and said she wanted to see them realized.

"I want to see these schools

built," she said. "I want to see those slums cleared. I want to see medical research expanded. I want to see every pledge become a program of action."

John F. Kennedy has proved by every test that he can best carry our program to the American people this November," she said.

United States Cancels Talk on Air Agreement

Washington - UPI - The United States today called off talks scheduled to begin here Monday with Russia on a U.S.-Soviet civil air agreement because of Moscow's intensified cold war attacks on the United States.

In a note delivered to the Soviet Foreign Office in Moscow today, the United States said "recent Soviet actions and utterances... could not fail to affect adversely the atmosphere surrounding such negotiations at this time."

It said the talks must be postponed until "a more suitable time."

Atmosphere Worsened
State Department spokesman Lincoln White said the U.S. decision does not apply to any other U.S.-Soviet negotiations or exchanges.

However, department officials said the atmosphere for negotiations is being deliberately worsened by a series of what they called provocative Soviet actions since the breakdown of the Paris summit conference.

The Soviet air negotiators were scheduled to arrive here Friday afternoon but they were stopped in Russia when the note was delivered.

The negotiations were intended to arrange for reciprocal rights for U.S. airlines to fly to Russia and the Soviet airline to serve the United States.

Counties Receive Highway Revenues

Salem - UPI - Secretary of State Howell Appling Jr. said today that highway revenues apportioned to Oregon counties totaled \$2,788,144 for three months ending June 30.

Counties received 19 per cent of state highway funds derived from motor vehicle registrations, vehicle fuels taxes, carrier fees and traffic violation fines.

Multnomah county with a 1959 motor vehicle registration of 258,290 received the most money - \$796,279.

Lane county was second with 80,517 vehicles and \$248,225, with Marion county third with 58,797, and apportioned receipts of \$181,264.

Wheeler county was at the bottom of the list with 1,433 vehicles and receipts of \$4,417.

A store and service facility at Howard Prairie reservoir will be open to the public Friday, July 15, according to Robert Johnston, co-owner and manager.

"A partial shipment of our rental boats has been received and will be available for rent for the week end," Johnston said. "Because they will be limited, we suggest that advance reservations be made for these boats at our Medford store."

A launching area, adjacent to the permanent facility now under construction, has been improved and will be ready for week end use, Johnston said. The store will offer cold drinks, sandwiches and staple groceries.

When the official camp site construction is completed, probably by the end of summer, the concessionaire will offer camping trailer rentals.

Teddy Roosevelt Youngest President

Los Angeles - UPI - Theodore Roosevelt was 42 years and 10 months old when he became President upon the assassination of William McKinley in 1901.

If elected President next November, Sen. John F. Kennedy would be 43 years and 8 months old on taking office in January.
