Try and Stop Me

By BENNETT CERF

"IT'S A FINE how-de-do," mourned a garment manufacturer. "Here I'm ready to pay top wages for a private secretary, and I can't find anybody who'll take the job."

"Calm yourself," soothed a friend. "I've got just the girl for you—a real beauty, too. I'll send her in tomorrow."

The next evening it was an aggrieved garmenteer who phoned his friend. "A fine private secretary you sent me," he jeered. "She can't even wrap a bundle or handle a mop!"

A beggar had such a sad tale to unfold, that the grocer broke down and gave him a bag full of the best victuals. The beggar eyed it askance and then demanded petulantly, "Well? Where are my tradin' stamps?"

Herman Levin, producer of "My Fair Lady," attempted a daring experiment this spring. He crossed a racehorse with a giraffe. The foal can't run very fast, but he's unbeatable in a neck-to-neck finish.

RADIOACTIVE DENTURES

Washington – (UPI) – The Atomic Energy Commission is investigating the use in jewelry and false teeth of a low-concentrated radioactive material. The AEC Thursday identified the material as ruthenium 106 found in some ruthenium metal. The commission said its study so far showed the contaminated material does not present a health problem.

Grange News

Lake Creek Grange

Lake Creek Grange will cosponsor with Eagle Point Grange a talk by Dr. Edwin Durno at the Grange hall at Eagle Point. This is the regular meeting night of Eagle Point Grange. Dr. Durno will talk at 8 p.m., and the public is invited.

It was voted by the membership to purchase a new 50 star flag for the hall. Faye Burrell was asked by Master Bob Gilkey to make the purchase.

Murray Bartling, fire insurance agent, cautioned every one to be careful with fire; many grass fires have been reported in the county.

Faye George reported on the mushroom industry in the state. The canning of mushrooms is less than 25 years old; most of them are eaten fresh. In 1936 a canning plant was established at Salem, the fifth largest such plant in the U.S. The plant employs 170 people.

Members are reminded of the Grange picnic at the Elks picnic grounds July 30. A barbecue picnic will be given at noon. The day will conclude at Eagle Point, with a program and dancing. The Grange is preparing a number for the program.

Next meeting of the Grange will be Aug. 12 at 8:30 p.m.
