Collier Raps Copco At Yreka Hearing

Yreka - Randolph Collier, state senator from Yreka, Calif., attacked the California Oregon Power company, Thursday, for their proposed increase in residential rates.

Speaking before a state public utilities hearing held in the Yreka city hall, he said, "Before Copco comes before this commission they should prove themselves and do something for their customers."

With reference to reported power fluctuations in the area, Collier said, "I think before they regulate their rates, they should regulate the power."

Hearings on the rate increase case have already been held in Medford.

Girl Cited After Accident in Medford

Seventeen-year-old Mae Short, who gave her address as the Lazy L motel, Medford, sustained slight injuries Thursday afternoon in a two-car collision at the intersection of Highway 99 and Table Rock rd.

According to Medford police, the car operated by the injured girl hit the rear end of a vehicle operated by Elsie Rita Roosevelt, 49, of 2060 Table Rock rd., which stopped for another vehicle.

Police do not believe the Short girl's injuries to be serious. Police cited Miss Short for following too close. The accident occurred at 2:59 p.m.
