

**SHELTERING PALMS** — Looking for "sun, sun, sun and rest, rest, rest", as he put it, Sen. Lyndon Johnson arrived Wednesday at the Pacific coast resort of Acapulco, Mexico, for a vacation. The Democratic vice presidential nominee is shown with his wife on balcony of former President Aleman's villa overlooking Acapulco's palm-fringed bay. (UPI Telephoto)

**Six New Laws Concerning Veterans And Dependents Enacted Recently**

Veterans and dependents are reminded of six laws enacted recently by Congress, and approved by President Eisenhower, S. T. Brannock, contact representative, V. A. Domiciliary, White City, said Saturday.

They are:  
1. PL 86-490 provides that if a veteran submits proof of dependents within 60 days of notice that the evaluation of his service-connected disability is increased to 50 per cent or more, the additional compensation for the dependents will be paid from the date of evaluation instead of the date of receipt by the VA, as the previous law required.

2. PL 86-491 makes uniform the marriage requirements for widows entitled to death benefits under either death compensation or dependency and indemnity compensation, Brannock said.

For death compensation it extends from 10 to 15 years the time limit within which the widow must have married a veteran who later died from a service-connected cause following the termination of the period of service in which he sustained his service-connected disability, he said.

This law does not affect a widow who qualifies because she was married to the veteran for five or more years or where a child was born of the marriage.

3. PL 86-492 allows a widow eligible to receive dependency and indemnity compensation, which is based on the rank of the deceased veteran at the time he was separated from the service, to have the

benefit of a higher rank than at time of separation from the service provided he held it for at least six months and was holding it within 120 days of the date of his separation or death.

4. PL 86-494 provides that survivors of certain Navy enlisted men, who died as a result of aviation accidents be-

between Oct. 8, 1940 and Aug. 3, 1942, while training to become aviation cadets may apply for \$10,000 gratuitous National Service Life Insurance less the amount of Government insurance in force, Brannock noted. Payment will be made to survivors but not to estates.

**University Gets \$117,500 Grant**  
Eugene — Award of a \$117,500 grant from the health, education and welfare division of the U. S. office of education, will allow the University of Oregon's graduate school to award 30 National Defense Education Act Fellowships for the 1960-61 academic year.

Dean Harry Alpert of the graduate school, who will direct the program, reported that the grant will also enable expansion of the graduate program here. Between 7 and 10 new faculty members will be added, he said, to concentrate on graduate work.

The program will also include visiting lecturers, Alpert said.

This will be the second year of the program for Oregon. Last year 18 fellowships were awarded.

The entire national program, which has been designated under the act to run for four years, awarded 1,500 fellowships this year. Oregon received 30, one of the largest numbers to go to a single university.

Prohibits Payment  
5. PL 86-495 prohibits payment of benefits other than insurance to any child on account of the death of more than one parent in the same parental line following the date of the law (June 8, 1960). The prior law would allow a combination of payments from a parent's death and a step-parent's death in some cases.

6. PL 86-497 authorizes the waiver of premium payment to be granted, upon application, to totally disabled World War II and Korean conflict veterans, who became totally disabled in line of duty after making application for insurance and prior to the date their insurance became effective, Brannock said. The waiver of premiums renders the insurance non-participating while the waiver is in effect.

**CHAPLAIN ASSISTANT**  
Wilson Gilinsky, son of Mrs. Leona Gilinsky, Cargill court, is stationed at Ft. Ord, Calif., with the U. S. Army. Following his training there, where he is assistant to the chaplain, he will attend school for training in this field.

Gilinsky, who was recently graduated from Southern Oregon college, will work primarily with the dependent families of service personnel.

**SEARS ROEBUCK AND CO. MONDAY SUPER SPECIALS!**

**LIMITED QUANTITIES — SHOP EARLY WHILE SELECTION LASTS!**
