CONVENTION BONNETS — The latest in Chicago millinery fashions are modeled Thursday by Diane Nordin (left) and Mrs. William G. Stratton, wife of the governor of Illinois. The ladies make no bones about their favorite candidates for the GOP Presidential nomination. (UPI Telephoto)

City Supervises
Many Street Jobs

During June Medford's public works department supervised a number of different street construction projects, according to Public Works Director Vernon Thorpe's monthly report.

Among these were several new paving projects. These include construction on Country Club dr. from 320 feet west of Sutter ave. to Black Oak dr.; on Black Oak dr. from Country Club dr. to Sandy Terrace; on Siskiyou blvd. from E. L. Earhart park subdivision to Highland dr.

Paving projects which were continued during the month include Country Club dr. from Sutter ave. to 320 feet west, 10th st. from Riverside ave. to Willamette ave.; Rosemont ave. and Perri place.

Paving projects were completed during June on Easy st., Melody lane and Serenity dr., the report said.

Construction started during the month on the 10th st. bridge over Bear creek.

Other projects completed during the month were a storm sewer for the Rogue Valley Manor and the Jackson park swimming pool.

The department's office force completed plans for several other paving jobs. These include plans for Niantic st., Black Oak dr., Juanipero way and Summit st.

Vets With GI Term
Should Check Policy

More than 128 thousand veterans in the Pacific Northwest should give careful study to their GI insurance holdings, S. T. Brannock, contract representative, VA Domiciliary, White City, said Friday. The veterans still hold GI term insurance, a type of insurance that plays a definite role for a young growing family but may become prohibitively expensive for the veteran near retirement age, Brannock stated.

This is one of the biggest problems now facing the VA, Brannock pointed out, using as an example a recent letter from a World War I veteran to emphasize the importance of the situation.

"Feel free to use my present plight to warn other term insurance holders," the veteran wrote. "I find myself nearing 70, unable to continue my

term insurance payments at their greatly increased rate and unable to obtain new insurance coverage. If I die, my wife has nothing; yet over the years we have invested more than \$8,000 in this form of insurance."

Mounting costs can become prohibitive as the years go by, Brannock said. For instance, a term GI insurance policy that carries an annual premium of \$9-a-thousand at age 35, jumps to an annual premium of \$47-a-thousand by age 65, and to \$73.16-a-thousand at age 70.

Brannock emphasized that the VA is not trying to tell individual veterans how to handle their insurance programs. The individual program depends on the circumstances of each veteran's financial situation, and his total insurance plans and program. Each policyholder should review his GI insurance holdings periodically to be sure they meet his current and long-range needs.

The number of GI term insurance policies in force in Washington state are 58,071; in Oregon, 41,053; Montana, 13,947; Idaho, 13,123; and in Alaska, 2,310.

Full information on GI insurance programs may be obtained from the contact office, VA Domiciliary, White City.

G-E Stitches

The fifth meeting of the G-E Stitches 4-H club was held at Edge Oaks dairy. The U.S. Flag pledge was led by Jillinda Arthur. The 4-H flag pledge was led by Bonnie Goehring.

We had three visitors, Arlene Jarrell, and Christine and Marilyn Streeter. We spent the rest of the afternoon swimming.

Jillinda Arthur, Reporter
