## Dallas Holds Big Drill

Forest Grove — (UPI) — A full speed scrimmage was held here Saturday as the Dallas Cowboys finished their first week of pre-season training. The scrimmage was highlighted by the offensive feats of former Washington Redskins quarterback Eddie LeBaron who tossed three touchdown passes.

Head coach Tom Landry said "it was a good scrimmage, for a first one." He added "the offense had the advantage due to the fact we stayed in one defense all afternoon, but nevertheless it was a good first scrimmage."

The Cowboys also got top-notch offensive performances from L. G. Dupre, former Baltimore Colt halfback, and fullback Gene Babb, recently obtained in a trade with the San Francisco 49ers.

LeBaron hit rookie end Gary Wisener of Baylor on two 70-yard pass and run-scoring plays and threw another 50-yard scoring strike to veteran end Frank Clarke, formerly on the Cleveland Browns. LeBaron wound up the afternoon with a 45-yard rollout that took the ball to the 10-yard line. LeBaron then pitched to Don McIlhenry who skirted left end for the score.

The only injury during the scrimmage was to rookie Jake Crouthamel who was groggy after being hit on the head.

## 54 Gridders To Gather At Portland

Portland-Fifty-four of Oregon's blue-ribbon senior football players from last year's high school teams will gather here Sunday, July 31, to begin two weeks of intensive practice for the 13th renewal of the Shriners' hospital all-star game.

The rival 27-man State and Metropolitan squads will "make like friends" at a get-together luncheon Sunday afternoon at Multnomah Athletic club, where they will receive their official jackets and hear from game leaders. But from then on they will act like opponents, dedicating their piskin talents to raising money for the Shriners' hospital for crippled children.

Bill Clark, president of the Jackson County Shrine club, has announced that a limited number of tickets to the State-Metro Shrine all-star football game at Portland are being ordered for sale here. They will be available at Barker's Men's store possibly by the middle of the week. Tickets sell for \$3 for a reserved seat and \$2 for the reserved section.

The State squad will be under the direction of Coach Fred Spiegelberg of Medford, assisted by Don Requa of Pendleton and Lee Gustafson of Salem. Tom DeSylvia of Portland's Jefferson High will tutor the Metros, aided by Bob Singer of Lincoln and Mary Hiebert of David Douglas.

Personnel of both squads have been instructed to report here in "top physical condition, ready for body contact work on the first day of practice."

The Metros, riding a three-game winning streak, will seek to make it four in a row and give them a stand-off with State in wins and losses. State has won 6, the Metros 5 and one game ended in a 7 to 7 deadlock.

Police Capt. Eugene W. Ferguson, the game's managing director, said all indications point to a capacity crowd for the game, often described as "football's finest hour."

## Two Run Homer Gets Card Win

Cincinnati — (UPI) — Walt Moryn's two-run homer off Bob Grim in the tenth inning gave the St. Louis Cardinals a 7-5 victory over the Cincinnati Reds Saturday in a game marred by seven errors.

Frank Robinson's two-run homer, after Bill White's double put the Cards ahead, 5-3, in the top of the ninth inning, sent the game into extra innings.

SOFTBALL CATCHER — Ollie Jean Back, above, is catcher for the Utah Spudnut Shamrock softball team of Salt Lake City which opposes the Rogue Valley Dairy Maids Monday night at Memorial stadium, White City. First of two games will be at 7:30 p.m.

Faust is truly a surprise in the trials, although he had jumped 6-11 earlier in the spring. There were doubts he could hold his own with the experienced jumpers who made up the finest high jump field in world history.

## A Choice Uzzling To D'Amato

New York (UPI) — Ingemar Johansson was "very pleased" but Floyd Patterson's manager, Gus D'Amato, was slightly puzzled today over the selection of Los Angeles as the site for the next world heavyweight title fight.

"No one has spoken to me or Patterson about the proposed site," D'Amato said. "As far as I know they're still looking for a site among cities that include New York."

The champion's manager added he would make no further statement about the site until after he discusses the situation with Johansson in Sweden next month. Patterson is scheduled to start an exhibition tour in that country Aug. 8.

Bill Fugazy, president of Feature Sports, Inc., announced Friday that the Patterson-Johansson "rubber" match will be staged at the Los Angeles Coliseum Nov. 1 unless either fighter has a "reasonable objection."

## Swim Instruction Slated for CP Class

Central Point — Two weeks of lessons for a Central Point class of beginner swimmers start Monday at Jackson pool in Medford.

City Recreation Director Don Miller said that classes Monday through Friday this week will be from 9 to 9:30 a.m. and the bus will leave the Central Point city hall at 8:30 a.m. Classes for the week of Aug. 1-5 will be from 10 to 10:30 a.m.

Fees of eight youngsters who signed for intermediate swimming will have to be refunded, according to Miller, since there is no room in a class for them.

## Faust Lone 17-Year-Old On U.S. Olympic Squad.

Eugene — On each Olympic squad there is always at least one youngster who surprised track and field experts with his skill and out-performed his more experienced elders for one of the coveted berths on the United States team.

When the squad begins arriving at University of Oregon Monday to begin workouts and preparations for the training meet at Hayward Field on July 30 there will be two college freshmen on the team and one of them is a 17-year-old from Occidental named Joe Faust.

He won't be 18 until Sept. 21, so he has better than a year's edge on Tony Watson, the sensational Oklahoma freshman broad jumper, who turned 19 in the spring.

Faust was truly a surprise in the trials, although he had jumped 6-11 earlier in the spring. There were doubts he could hold his own with the experienced jumpers who made up the finest high jump field in world history.

In fact, Faust, a scholastic star as well as an outstanding athlete who is majoring in mathematics, ended up second with a leap of seven feet.

The winner, of course, was the incomparable John Thomas, a sophomore himself, of Boston university with a world record leap of 7-3 1/4. Ticket Demand Brisk

Faust soared through the competition without trouble until the bar went over seven feet and then he finally missed.

Interestingly enough, the third place was taken by Charlie Dumas with a jump of 6-11 and it was just four years ago that Dumas was a college freshman trying for the team, and he made with the first seven-foot leap in world history at the 1956 Olympic trials in Los Angeles.

The high jump is just one of the features of the meet which is expected to attract one of the larger track crowds in northwest history. In addition to youth, the veterans are well represented with three-time Olympic veteran Parry O'Brien, as well as five other old hands who
