Troutdale Woman Dies After Wreck: Salem-UP-Mrs. Ethel Hoyt Magarrell, 69, Troutdale, died Tuesday of injuries suffered in an auto accident Sunday. The department of motor vehicles said Mrs. E. H. Schultz of La Grande, died Saturday from injuries suffered in a head-on crash which claimed the life of her husband, E. H. Schultz, in June. The two deaths brought to 37 the traffic death toll in Oregon for July, two more than the total for a similar period last year.

Band Campers To Present Concert: Ashland-The Siskiyou Band campers will present a concert in the Lithia Park Butler Memorial band shell Friday, July 29, at 7:30 a.m. The concert will be under the direction of Randall Spicer, who is director of bands at Washington State university and guest conductor for the Siskiyou Band camp being held on the Southern Oregon college campus. Several special selections, including the "Alleluia" from "Exultate Jubilate" by Mozart, arranged for two cornets and a baritone and trombone soloist, will be featured on the varied program. Soloists will be Bob Heide, Medford, and Jim Moorman, Rogue River, cornets; Larry Ross, North Bend, baritone; and Jim Griener, Adel, trombone. Another selection will feature trombonists Raul Maddox, Ashland; Jim Griener, Adel; and Mel Jackson, Ashland, playing "Slippery Gentlemen" by Harold Walters. Also the entire flute section will play the "Pennywhistle Song" by Leroy Anderson. There will be no admission charge for the concert, which is open to the public.

CG Auxiliary Will Be Discussed: Redding-Formation of a Coast Guard auxiliary for Shasta Lake will be discussed here Saturday, July 30, at the justice court room in the court house at 8 p.m., according to the Lake Shasta Chamber of Commerce. Principal speaker will be Lt. Cdr. D. S. Williams of San Francisco, director of the Coast Guard's 12th district auxiliary. The meeting is being sponsored by the Lake Shasta Chamber of Commerce and boat owners throughout northern California and southern Oregon are invited to attend. The auxiliary, according to Williams, would have nothing to do with patrolling the lake. Its purpose would be merely to instruct boaters and others using the lake in better safety practices. The group would conduct classes in water safety and would inspect boats for those owners who want this done. Boats passing the auxiliary's tests are given a windshield sticker showing they have met the necessary requirements. No dues are charged, he added, but auxiliaries usually have their social side and hold dances.
