Reward Offered For Murder Gun

Salem MPD - A reward of \$50 was posted by Marlon County Sheriff Denver Young Wednesday for information leading to the recovery of a .22 caliber pistol believed to have been the weapon used in shooting Mrs. Helen Ped, 43, July 18.

Being held in connection with the slaying is Mrs. Carol Irene Henkel, 47.

Sheriff Young said she told his officers she threw the gun from the car in the Wheatland Ferry area where Mrs. Ped's body was found. Young surmised the weapon might have been picked up from the pavement by a passing motorist.

Station MPD - State Treasurer Howard C. Belton told a crowd at ceremonies of crowning the queen of the Stayton Bean Festival Wednesday that green beans in the American diet have come to be "as natural and popular as peaches and cream." He said growth of the \$30 million industry has been phenomenal in the past 30 years.
