Homeowners Warned Of Some Repairmen

Area homeowners should remain on the alert for roof and gutter repair racketeers, Don McNeil, Medford Chamber of Commerce manager, warned residents today.

In addition to persons spraying crank case drainings on roofs of their victims, reports have been received in the state of gutter racketeers.

McNeil explained that the gutter racketeer telephones householders, claiming to be in the sheet metal business. He says he has a crew of men working in the neighborhood of the prospective customer.

Driven by Home

He then explained that he has driven by the prospect's home and noticed the gutters and downspouts are in need of cleaning and repair. Since his men and equipment are in the area he will do the job for a "bargain" price.

If the householder agrees to the job the racketeer will promptly show up and go through the motions of cleaning and repairing. The price ranges from $20 to $25 and will take about 30 minutes, McNeil said. He added that later the homeowner will discover that little work was actually done.

Another gimmick reported recently to McNeil is the trick mailing by companies claiming to be national directory services. The scheme is to collect for listing or advertising that has not been ordered.

McNeil cautioned local firms to be wary of such mailings.

DAV to Start Sending Ident-O-Tags Soon

Millions of Americans, including area residents, during the next few weeks will receive Ident-O-Tags in the mail as unordered merchandise, Medford Chamber of Commerce Manager Don McNeil, stated recently.

The tag is a small facsimile of the auto license plate bearing the number belonging to the recipient. During 1958 more than 32,000,000 sets of these tags were assembled by the Disabled American Veterans and mailed to car owners, together with an appeal for contribution.

This solicitation is one of the major fund-raising projects of DAV. McNeil said that according to the latest report available which is based upon a financial statement covering the 1958 Ident-O-Tag campaign, the drive grossed $2,990,769.13. Costs and expenses totaled 78.1 per cent with net profit 21.9 per cent. [illegible]

The DAV, according to McNeil, states that of the total expense figure, the following items should be recognized as service to disabled veterans, their widows and dependents, rather than direct costs of fund raising: salaries and wages paid to disabled veterans, their widows and dependent, who assembled the tags; and employee welfare, hospital care, insurance and retirement plans for such employees.

If these items are excluded, direct fund raising costs amounted to [illegible] per cent, leaving a net profit of $1,5[illegible]3,72[illegible]70, or [illegible] per cent of all contributions received.

Dump Clean-Up Being Planned

The state department of forestry and the county court are working together to make all authorized garbage dumps more fire proof and to stop use of unauthorized dumps.

Curtis Nesheim, Southwest district warden of the state department of forestry, said landowners would be approached on cleaning up garbage dumped on their land and to stop the abuse. Under law, the landowner is responsible for all forest fire hazards on his land, Nesheim explained.

The district warden noted one unauthorized dump on the Siskiyou summit, one along Wagner creek, one on Sterling rd. near Jacksonville, and one on Ulrich rd. near Prospect.

"Where there is promiscuous dumping we have no protection against fires starting in the dump and spreading to nearby brush or trees," Nesheim said.

Authorized dumping locations are maintained by the City Sanitary Service, Nesheim said. The state department of forestry is trying to encourage sanitary land fill method of covering garbage rather than burning unless the dump is so situated that burning can be done safely.

Carrier To Join U.S. Sixth Fleet

Washington — (UPI) — The U.S. Sixth Fleet in the Mediterranean will be bolstered with the addition of third aircraft carrier, the Defense department announced today.

The 60,000-ton carrier Saratoga will sail from Norfolk, Va., Aug. 22. The powerful Mediterranean fleet's strength thereafter will be kept at three carriers instead of the two it has had for years.

Neither the Defense department nor the Navy gave a reason for the surprise announcement that the Sixth Fleet will be strengthened in a way recommended for several years by fleet commanders.

Two Men Injured While Blazing Trail

Tiller-Drew — Two young men found blazing trail for the South Umpqua district of the Umpqua National forest a dangerous job last week. Charles Groff cut himself in the leg with an ax and Dick McNeil fell on a stub which punctured his throat.

Charles Porter was called upon to take his horse in and pack the young men out. This took several hours. The men were taken to the Forest Glen Clinic at Canyonville for treatment where they were confined for 48 hours.

Former BF Resident Bruised In Collision

Butte Falls-Word has been received here that Kenneth Kadin, radarman, U.S. Navy, was aboard the destroyer, Colette, when it rammed the destroyer, Ahem.

Kadin is reported as having received only minor bruises.

Kadin is a former resident of Butte Falls and a graduate of Butte Falls High school. He is the son of Mrs. Floyd Price, Medford, and the nephew of Mrs. Irving Baylor, Butte Falls.
